*\*\*most recent week – will increase*

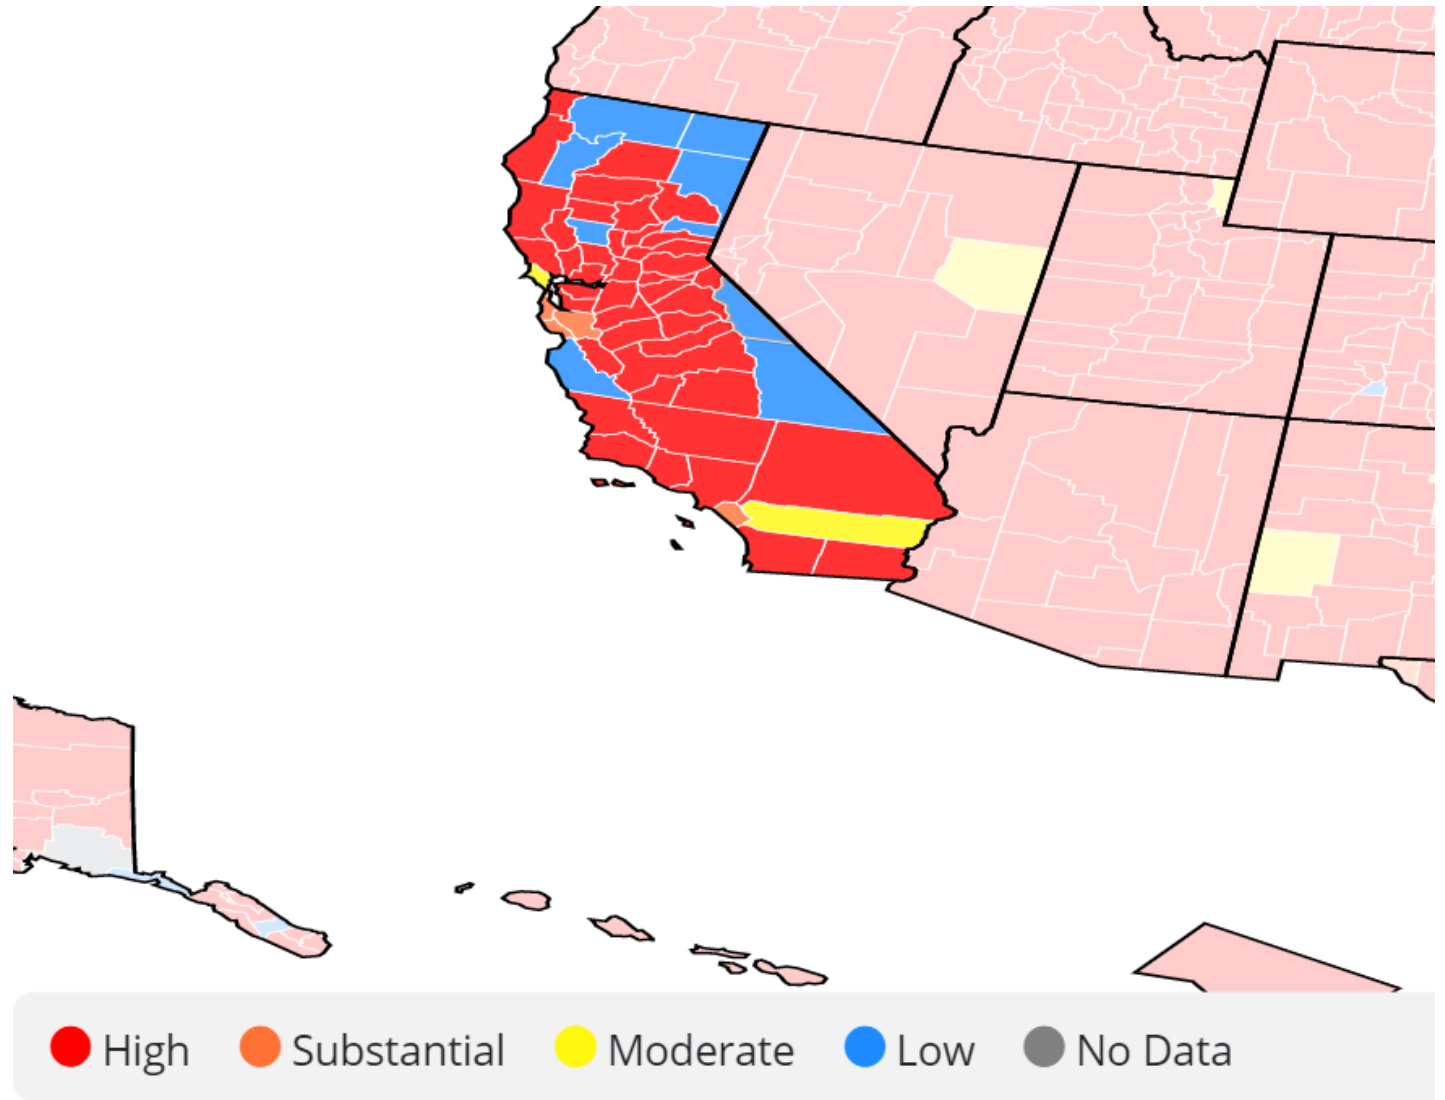

# CDC INDICATORS AND THRESHOLDS FOR COMMUNITY TRANSMISSION OF COVID-19 TO GUIDE MASKS FOR PUBLIC INDOOR SETTINGS BASED ON VACCINATION STATUS

Indicator	Low transmission	Moderate transmission	Substantial transmission	High transmission
Daily case rate	< 1.5	1.5–6.9	7–13.9	> 14
Test positivity	< 5.0%	5.0%–7.9%	8.0%–9.9%	≥ 10%
Unvaccinated	Mask Required	Mask Required	Mask Required	Mask Required
Fully vaccinated	Mask Optional	Mask Recommended	Mask Required	Mask Required

\* Statewide / \*\* Vaccine Equity Metric goal of 4 million doses

# DATA DELAY

## DATA DELAY

- State and CDC data lags behind Mono County case data.
- OptumServe and Colors data may take up to 14 days to be entered into the state disease tracking system.
- Out of state and jurisdiction transfer cases may take up to 30 days to reach our case count.
- *\*COVID Data Tracker may display data that differ from state and local websites. This can be due to differences in how data were collected, how metrics were calculated, or the timing of web updates.*

## **HOSPITAL STATUS**

- No current COVID-19 related hospitalizations.
- Transfer hospitals continue to experience extremely limited ICU capacity causing delays or the inability to transfer patients in a timely manner.

## **FEDERAL VACCINE MANDATE**

- **Requiring Vaccinations for all Federal Workers and for Millions of Contractors that Do Business with the Federal Government.**
- **Requiring COVID-19 Vaccinations for Over 17 Million Health Care Workers at Medicare and Medicaid Participating Hospitals and Other Health Care Settings.**
- **Requiring All Employers with 100+ Employees to Ensure their Workers are Vaccinated or Tested Weekly.**
- **Calling on Large Entertainment Venues to Require Proof of Vaccination or Testing for Entry.**

## **SCHOOL STATUS**

- Increasing cases in school aged children leading to a high rate of quarantine and isolation orders.
- All schools remain open!

## **LIMITED STATE RESOURCES AND INCREASED TESTING**

- State resources, both human and material, are in short supply.
- Staffing shortages for response teams, testing sites, and contact tracing.
- Demand for testing up due to increased infection rate, school testing, and required workforce testing.
- Limited supplies of some testing materials and N95 masks.

## **ADDRESSING MISINFORMATION**

- PCR testing.
- PCR test creator, Kary Mullis, never stated that the PCR test was not created for free virus detection.
- John Lauritsen wrote this about HIV and AIDS in 1996. He was clarifying the PCR test is qualitative not quantitative.

## **ADDRESSING MISINFORMATION**

- OptumServe is not part of the Department of Defense.
- OptumServe is a private contracted company.
- OptumServe data is not entered into a government database.

## BOOSTER SHOTS FOR A SELECT GROUP

- Active treatment for solid tumor and hematologic malignancies.
- Receipt of solid-organ transplant and taking immunosuppressive therapy.
- Receipt of CAR-T-cell or hematopoietic stem cell transplant (within 2 years of transplantation or taking immunosuppression therapy).
- Moderate or severe primary immunodeficiency (e.g., DiGeorge syndrome, Wiskott-Aldrich syndrome).
- Advanced or untreated HIV infection.
- Active treatment with high-dose corticosteroids (i.e.,  $\geq 20$ mg prednisone or equivalent per day), alkylating agents, antimetabolites, transplant-related immunosuppressive drugs, cancer chemotherapeutic agents classified as severely immunosuppressive, tumor-necrosis (TNF) blockers, and other biologic agents that are immunosuppressive or immunomodulatory.

## **BOOSTERS FOR THE GENERAL POPULATION**

- No new information on Boosters.
- FDA will review data for Pfizer booster on 9/17/21.
- No review of Moderna data at this time.

**2-1-1**

- Due to the current surge, the 2-1-1 Public Health Nurse hotline is temporarily back in place:
  - Monday through Friday 8am – 5pm

# COVID-19 VACCINE SCHEDULE

- ◆ **9/23/21: Bridgeport Clinic 11am - 1pm** – Bridgeport Memorial Hall (73 North School Street)
- ◆ **10/01/21: Mammoth Lakes Clinic 2pm - 4pm** – Mammoth High School (365 Sierra Park Road)
