DEPARTMENT SERVICES OVERVIEW

Administration (Office of the County Administrative Officer). In addition to providing administration and executive management services to the County, the department also includes the divisions of Budget, Emergency Operations, Housing Opportunities, Human Resources, and Sustainable Recreation. Additionally, the department also oversees the work of the contracted Communications Manager, Agriculture Commissioner, Farm Advisor, and Veterans Services Officer.

CHALLENGES, ISSUES & OPPORTUNITIES

Key challenges for the County Administration Department during FY2022-23 include:

- Supporting all levels, of the County workforce during a time of unprecedented uncertainty
- Continuing the mitigation of, and response to, the COVID-19 pandemic
- Stewardship of County resources during the continued economic downturn
- Solving vacancies at the senior staff and other levels; and,
- Addressing the ongoing need for additional workforce housing throughout Mono County

For more information, call (760) 932-5410, or visit <https://monocounty.ca.gov/cao>

REQUESTED BUDGET CHANGES FOR FY2022-23

- As a continuation of transferring budget operations back to the CAO's office, requesting to move the current Accountant IV position into the CAO's office, from the Finance Department;
- Requesting increased funding for continued housing funds for addressing the current housing crisis
- Requesting funding for the new Office of Emergency Operations

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- Worked with the Board of Supervisors to revise our County Strategic Plan Update and develop actionable items for the four strategic focus areas – Safe and Healthy Communities, A Thriving Economy, Workforce and Operational Excellence, and Sustainable Public Lands
- Coordinated the County response to the COVID-19 crisis, working directly with County staff, as well as Town Hospital, State and Federal personnel to ensure continued County operations
- Worked closely with staff on the finalization of several large capital improvement projects including the completion of the Civic Center in Mammoth, as well as preparation for the coming County jail facility

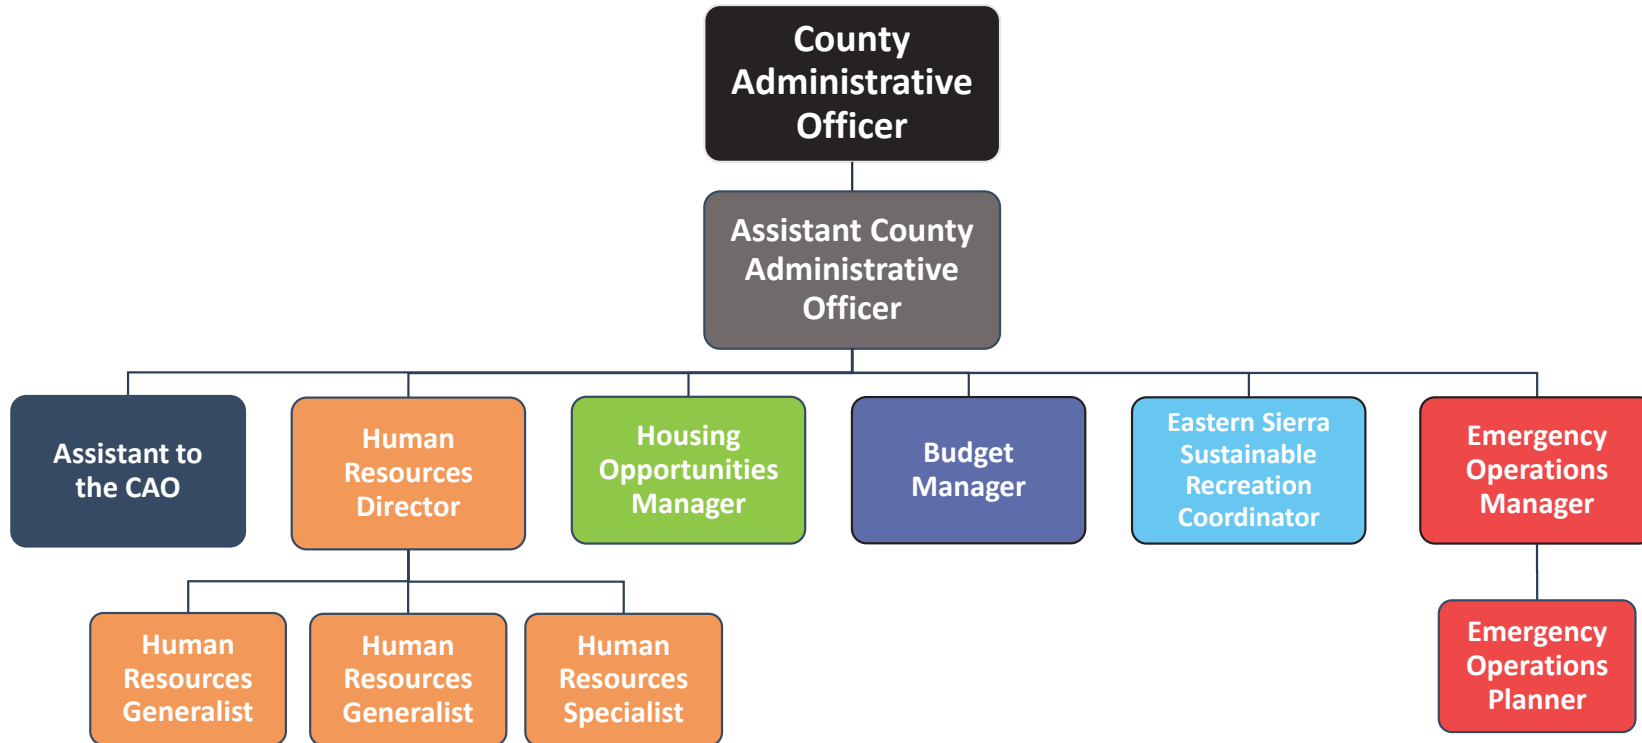

- Managed County operations through the ongoing local, state, and nationwide workforce shortage by widening our search efforts to include alternative methods of outreach, use of consultants when absolutely necessary, and creative contract language with potential candidates

FY2022-23 Objectives

- Move forward with our efforts to improve the housing opportunities in the County by creating a workplan on housing opportunities, including actionable and achievable goals
- Complete Countywide fee-study analysis and recommend increased fees where appropriate to the Board for consideration
- Complete the transition of several of our software and hardware programs due to end-of-life issues, including our Innoprise staff interface and the Novus agenda management systems
- Implement the Office of Emergency Operations by hiring the currently approved manager and planner for that office and creating a work plan and operations plan

DEPARTMENT SERVICES OVERVIEW

Animal Services (Office of the Animal Services). Mono County’s department of Animal Services operates two shelters. These shelters are in two separate areas of the County, one on Benton Crossing Road, the Whitmore Shelter, and the other in Bridgeport on Jack Sawyer Road, the Bridgeport Shelter. Animal Services employs two full-time Animal Control Officers to provide services to the unincorporated areas of Mono County. Animal Services field officers respond to animal complaints, animals abandoned and/or at large, State and County ordinance violations, dog bite investigations and quarantines, animal neglect and/or cruelty, and promotes responsible pet ownership through education and support. The department’s shelters operate a pet adoption program, and low-cost pet boarding and emergency boarding. The department offers Mono County community members low-cost spay/neuter vouchers, annual vaccination clinics, as well as dog licensing. The department of Animal Services hosts a self-serve pet food pantry, provided by a generous donation of weatherproof boxes from For 4 Paws in Mammoth. These boxes are situated at each of the shelters and are monitored by the shelter attendants. The contents are provided through the Docupet Safe & Happy Fund which is given to For 4 Paws in Mammoth to supply the pet food pantries.

REQUESTED BUDGET CHANGES FOR FY2022-23

- Use \$2,000 of the Animal Spay/Neuter Trust Fund (726-00-000-00100) to fund the Low-Cost Spay/Neuter program
- Tech Expenses Budget: Request to switch 2 desktops for 3 laptops. This will give the 2 Officers laptops and the Director will use a laptop going forward, which can also be used at vaccination clinics
- Budget change for Special Department Expense (100-27-205-33120) line item:
 - Microchips – Cost \$1,533.68 As of January 1, 2022, all California shelters are required to microchip adoptable animals and all stray animals prior to release, owners and adopters. (Food & Agriculture Code 31108.3 and 31752.1) The estimated cost is \$1,533.68 for a quantity of 200 microchips per year. This cost can be recovered partially through owner reclaim revenues, pending the establishment of a fee for owner reclaim (with a new microchip). It would be worth it to also consider an increase in adoption rates to recover the costs of microchips. Requesting to add \$1,533.68 to the Special Department Expenses line item.
 - Animal Carcass Removal- Cost \$1,000 This year the Benton Landfill will be closing. Animal Services will need to find alternative options for animal carcass removal. Animal Services will need to travel outside the County to dispose of animal carcasses. With travel expenses and higher rates at another landfill, Animal Services is anticipating a cost of \$1,000 per year to accomplish this task. Requesting \$1,000 to be added to the Special Department Expenses line item.

Onetime purchase requests:

- Microchip Scanners for Field Services – Cost \$750: This is a one-time purchase of two microchip scanners (one per Officer), or until a replacement is required. These scanners will increase an Officer’s ability to return an animal to the owner from the field. Currently, Officers are required to take the animal to the shelter if the animal is not wearing an identification tag, the shelters are the only place to scan for a microchip. The cost for two scanners is \$750.
- Pre-Exposure Rabies Vaccinations for two staff members – Cost \$2,436: Two shelter attendants need the pre-exposure rabies vaccination, which is estimated to cost \$2,436.
- Protective Vests for Field Officers – Cost \$1,000: To provide Officers with protective gear, as they enter the private residence with the duty to enforce State laws and County ordinances, Animal Services Field Officers will wear ballistic vests as part of their uniform. These vests have the appearance of a uniform shirt, with buttons and pockets, to minimize the appearance of being tactical gear. The color of the overall uniform will be changed from all navy blue to a navy-blue top and brown (coyote brown) pants, this is to break the color coordination, and soften the look. The vests will be simple, with nothing attached except the name patch and badge on each side of the chest, and “Animal Services” will be read across the back, and a ball cap will read “Animal Services” as well.
- Horse Trailer: Cost for used \$7,000: To better serve the livestock of the community with better response time, and to provide more efficiency with emergency evacuations, Animal Services would like to request funds for purchasing a horse trailer. Currently, Inyo Animal Services has offered their only horse trailer as an option for our department to use when needed. The challenge though is Inyo being far away from the northern part of the County, creating a strain on response time. A horse trailer for the department will allow Animal Services to complete tasks without relying on Inyo County’s only trailer and avoid the travel and planning time required for borrowing Inyo’s trailer. Examples of some benefits to having a department horse trailer to haul multiple animals in an emergency evacuation. Haul many supplies in the event of an emergency, to efficiently set up an emergency shelter. Horse trailers usually provide a storage compartment for tack, which can be used to store sheltering supplies, to be ready when an emergency arises. Hauling stray livestock to provide public safety and safety to the animal. Seizing livestock to provide immediate care. Seizing animals from hoarding cases efficiently, to provide immediate care.
- Budget change request for Professional and Special Services line item (100-27-205-32500). Request to return this line-item budget to \$10,000. This will allow our department to provide needed care to the animals in our custody, this will also allow us to manage the feral cat population by providing sterilization surgeries as an alternative to euthanasia.

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- We have launched the low cost spay/neuter program, allowing 17 cats and 2 dogs to receive a sterilization surgery so far. The application can be filled out online on our website.
- We are launching a new program where we work collaboratively with a local organization, For 4 Paws, to provide supportive services to pet owners. The purpose of this program is to reduce the number of surrendered pets and to prevent neglect. The shelters are hosting a self-serve pet food pantry, with a weatherproof box stocked with necessities for pets, located in front of each shelter.
- After 2 years of working with a horse owner to encourage them to provide basic care for her neglected horse, Animal Services was able to seize this horse to provide care, which then resulted in the owner surrendering him. Animal Services was able to quickly place this horse in a rescue where he will now receive the care he desperately needed.
- Animal Services adjusted the social media strategy. In the past, all staff members were encouraged to provide content. This strategy has proven to not be ideal, the content was not consistent due to the variety of personalities, photography skills, and communication skills, and quality control was challenging. We now have one staff member, Officer Amber Stoerp, dedicated to providing quality content to engage with the community, educate pet owners, and promote programs and adoptable animals. We feel that Amber has done a wonderful job with improving our social media atmosphere.

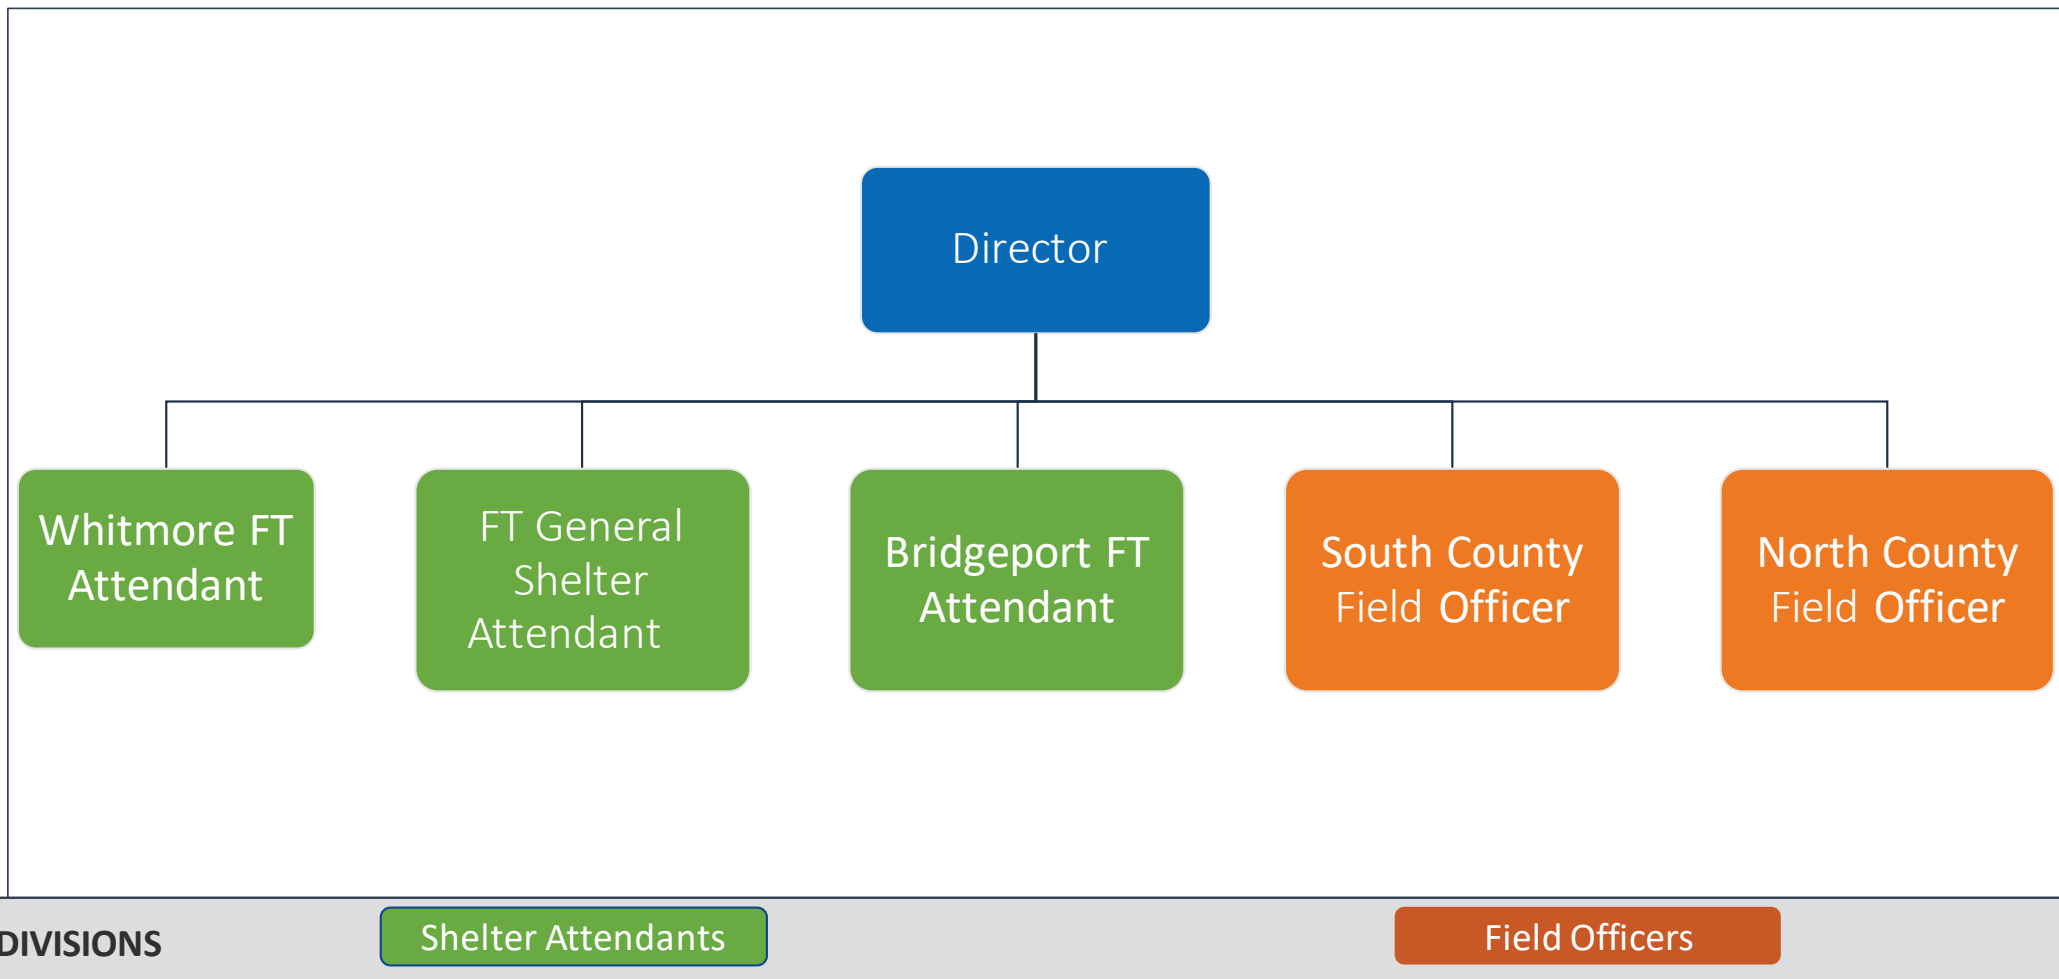

FY2022-23 Objectives

- Explore strategies to reduce adoptable animals' length of stay by placing them in their new homes faster. Examples of strategies include, but are not limited to, social media exposure, utilizing volunteers to help promote our animals by taking them out and spending time with them, and providing basic training to enhance adaptability.
- Develop a more structured foster and volunteer program and bring in more fosters and volunteers to engage the community and ensure emotionally healthy animals by providing more time outside the kennels.
- Reduce the number of animals being placed in the adoption program through pet owner support efforts and reuniting lost pets with owners.
- Animal Services will implement strategies to place animals, already in adoption programs throughout California, into homes by utilizing the PetPoint transfer network module. This program allows shelters to view animals in other shelters, and request transfers. Our shelters will work with the community seeking specific sizes or breeds by taking in and discussing requests, we can then look at pictures and information about the dog to find the best match. When we have found that match, we can then work with transport volunteers, sometimes the other shelter is able to provide transport, to bring the animals to our shelters for immediate placement in their new home.
- Develop a humane education program for elementary schools covering two topics, empathy for animals and dog bite prevention. Officer Jack Montgomery will visit classrooms to promote empathy for animals using the curriculum provided by the Red Rover Readers program.
- Develop a department emergency action plan, a handbook, and a training schedule for emergency workers, and recruit volunteers.

DEPARTMENT SERVICES OVERVIEW

Assessor. The county assessor must annually assess all taxable property in the county, except for state-assessed property, to the person owning, claiming, possessing, or controlling the property on January 1. The duties of the county assessor are to discover all assessable property, to inventory and list all taxable property, to develop and maintain a set of current maps delineating property ownership, to value the property, and to enroll the property on the local assessment roll for the support of local government.

DEPARTMENT SERVICES OVERVIEW

Behavioral Health. Our department is facing an unprecedented number of regulatory changes, primarily through the statewide CalAIM process, which is requiring our department to create an entire new infrastructure. We are in the process of implementing a new Electronic Health Record that will allow us to engage with the new rules of payment reform, billing, reporting, Quality Improvement and Assurance, among other things. The MCBH implementation team is working with all entities to assure our department is in compliance with the changes and timelines. As a result, we have made some staff changes—moving people into positions that reflect the work they are doing and promoting people related to their job evaluations and work product. We are hoping this will increase our ability to recruit and retain excellent staff dedicated to their work and these processes.

At the center of our work is the resident of Mono County. Whether it be a Medi-Cal beneficiary looking for mental health treatment, psychiatry, or case management, a community asking for activities that create connection without alcohol or drugs, consulting with the hospital/schools/law enforcement/jail staff to help with a person in distress, MCBH is there. This was evidenced by our response to community needs during the pandemic ‘shut down’ where we were engaged with community seven days a week to promote healthy responses to the tremendous stress that our people were experiencing. Additionally, once we could be in public, we re-started our community monthly “social” events (in Walker, Benton, Bridgeport, and June Lake) where we provide a meal and a family friendly environment to enhance connection and engagement, which ultimately reduces debilitating stigma. MCBH works with our Public Health department on the Harm Reduction program to provide the tools for people who use drugs to stay safe and alive, which is a proven method to promote wellbeing and reduce stigma.

Our budgetary changes reflect both the internal needs—administrative staff who interface with the State and are working to change and enhance our infrastructure—and external work—providing treatment, working with other departments and community entities to promote wellbeing and reduce stigma, provide mandated services, crisis services, and to provide a variety of programs throughout the county. It has been a significant challenge to hire for our open positions, particularly those that requires a masters level education, and our mission is to structure our department based on needs, requirements, and the desire to retain excellent staff.

REQUESTED BUDGET CHANGES FOR FY2022-23

- As Adding staffing for Case Management for the Northern end of the county
- Adding a Quality Improvement/Quality Assurance (QI/QA) position for our Substance Use division to address infrastructure changes and new requirements
- Promoting staff to next level in the position related to their excellent annual reviews and their meeting the requirements of the next level of their position
- Moving staff into positions that better reflect their job duties and are in sync with county processes
- Keeping unfilled positions in the hopes of finally being able to fill them

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- Began infrastructure changes required by CalAIM. This is an ongoing project into FY 22/23
- Promoted community engagement, stigma reduction and early intervention with programming throughout the county. This will continue and is expected to grow with added staff in FY 22/23
- Staff participation in the county wide JEDI and within MCBH to address health disparities, racial inequity, and creating a departmental environment that promotes a feedback culture, centers the 'difficult conversation', etc. in an effort to better serve our various communities. This is ongoing and will be continuing in FY 22/23
- Increased our service delivery to Medi-Cal beneficiaries with both mental health services and psychiatry.
- Reached our goal to increase Medi-Cal revenue by 50%. The goal in FY 22/23 is to increase by another 30% once we have a new Electronic Health Record and payment reform goes into effect.
- Began process to secure a new Electronic Health Record that will help us to meet our CalAIM, payment reform, and other mandates. Ongoing.
- Began work with Mono County Medics and Sheriff Office to build a Mobile Crisis Response Team. Pilot project will begin in FY 22/23
- Hired Coordinator for our WRAP program. FY 22/23 will continue our work with Social Services, Probation, MCOE and Kern Regional Center to promote this program and others that address the welfare of families and children throughout our county
- Continue to promote a healthy work culture to enhance recruitment and retention.

FY2022-23 Objectives

- Increase Med-iCal revenues by 30% from FY21/22
- Implement infrastructure changes required by CalAIM, including a new EHR
- Implement Drug Medi-Cal program which will be managed by the SUD QI/QA Coordinator
- Increase services in North County with hire of Case Manager to target this area
- Continue our work with the Early Psychosis Detection program through UC Davis and the MHSOAC
- Continue to be a voice with Legislators and State Leaders to promote the "Small and Frontier" county voice
- Enhance our data collection and analytics to support our systems, outreach, and outcomes
- Continue to work on our housing project at The Parcel
- Move forward with MHSSA grant with MCOE to provide on campus mental health treatment to students throughout the county
- Continue to devote staff to the increased regulatory demands
- Address Board of Supervisors related to Mono County Suicide and Overdose rates and plans for prevention
- Support MCBH staff Fiscal Staff related to the CalAIM payment reform, cost report regulations, changes in billing processes, and grant tracking by providing training, access to a consultant, and enhancing staff's ability to engage with what is known as a "fire hose of change" that we expect for the next two to three years.
- Continue to pursue grant monies that will address infrastructure change, student mental health and housing needs.
- Engage with staff to support a culture that allows for support to do the very hard work, create an environment where professional development is central, and where there is a sense of purpose and understanding of how each staff member contributes to making Mono the best place to live.

CLERK-RECORDER

Scheereen Dedman Clerk-Recorder

The Department’s mission has three parts: **1. To ensure that all who wish to vote or run for office, can. 2. To provide all necessary support to the Board of Supervisors for the services it provides to Mono County. 3. Support the existing business community through the filing of Fictitious Business Names and recording documents needed, and work with other departments in order to provide superior customer service that is inclusive to our entire community.**

DEPARTMENT SERVICES OVERVIEW

Clerk / Recorder. Recording/maintaining property documents (we offer E-recording, a valuable and time-saving service); processing/maintaining/providing vital records (birth/death records, and marriage licenses – available online through VitalChek or at the counter/by mail); Fair Political Practices Commission (FPPC) Form 700 filing office; processing/maintaining Fictitious Business Name (FBN) applications; processing a variety of notices (i.e. California Environmental Quality Act (CEQA) Notices); maintaining a roster of County Public Agencies; maintaining all County Contracts; serve as Clerk of the Board of Supervisors; perform marriages; keep the website updated; prepare the budget. In Mono County, the Clerk-Recorder is in the same office and performs all duties simultaneously. At the end of the 21-22 Fiscal Year, our contract with Halfile will be terminated, forcing us to find a new provider for Records and Vitals management. We have received presentations from multiple vendors and are currently working on a contract to move forward with a new program. There are sizeable implantation costs, however, there are fees obtained through recorded documents / vital records that may be used for this. However, there will be an increase in the annual maintenance costs going forward. Also, with increasing interest rates, revenue will most likely decrease as fewer people refinance their homes for the lower rates, and housing sales slow, thus fewer documents to record. We will also see fewer requests for Birth Certificates as Mammoth Hospital has discontinued providing that service.

Board of Supervisors. The Clerk of the Board of Supervisors provides support for the Board of Supervisors, Assessment Appeals Board, Personnel Appeals Board, Administrative Appeals hearings, and various other boards as requested. Between a pandemic and new Board members joining the Board, the biggest challenge for the past and upcoming fiscal years is trying to hit the moving target of the travel and training budget – now that conferences and courses are finally being held in person again, we have a full Board who wishes to participate in these development opportunities in the pursuit of workforce and service excellence. There is no recent precedence upon which to anticipate an amount. As discussed at last fiscal year, the agenda management software, Novus, has less become a burden for Granicus to continue to support. As such, it has become increasingly difficult to receive the necessary technical support to create a user-friendly agenda that can keep up with the times. We met with companies to determine if there is a program that will better suit our needs, and believe that we have found one that will allow the Clerk to adjust agendas that meet the needs of the Clerk, the Board, the CAO, and all county staff, and are now seeking approval for the necessary funds to move forward with modernizing our agenda management program.

Elections. The Elections Division conducts all Federal, State, County, school, and special district elections in the County, as well as the general municipal elections for the Town of Mammoth Lakes. Update and maintain Voter Registration Database. Last year, the State of California conducted an election for the Recall of Governor Gavin Newsom. Ab 37 also

required that all voters receive their ballots in the mail. These created unique challenges to the department, all while experiencing staffing changes that created a large loss of institutional knowledge. But it also created the opportunity to move forward with the ability to modernize the election process. The Board approved our application to the State for a grant to obtain an envelope slicing machine, as well as trolleys to carry our electronic poll pads, which we hope will save hours of staff time. The Board also approved a contract with the Secretary of State to extend the contract deadline for our Voting System Replacement agreement with the Secretary of State – these funds will be used to remodel and secure the “old Social Services” building on Emigrant Street for our election equipment and other storage needs.

COMMUNITY DEVELOPMENT

Wendy Sugimura
Community Development Director

The Department’s mission is to provide efficient, responsive and innovative development services through teamwork while protecting community character and managing environmental impacts.

DEPARTMENT SERVICES OVERVIEW

Community Development. The Community Development Department consists of the Planning, Building, and Code Enforcement divisions. The Planning Division provides the services specified in Government Code §§65103 to maintain and implement the adopted General Plan and land use regulations through community-based planning, including management of the Regional Planning Advisory Committees (RPACs), coordination with other agencies, and compliance with state laws. In addition, the Planning Division staffs other legislative bodies with separate authority that often function independently in other jurisdictions, including the Local Transportation Commission (LTC), Airport Land Use Commission (ALUC), Local Agency Formation Commission (LAFCO), and Housing Authority. The Building Division is responsible for the enforcement of the current California Building Codes Standards and relevant state law governing building standards. The Compliance Division monitors and enforces compliance with County ordinances, policies, regulations, and permit conditions, including environmental mitigation measures. In addition, the Community Development Department strives to provide excellent customer service by providing South County services for other County departments, including accepting property taxes and other payments, and accepting applications for marriage licenses, business licenses, and doing business as (DBA) licenses.

REQUESTED BUDGET CHANGES FOR FY2022-23

- Requesting one new Planning Analyst I/II position to offset 1) backlog of work resulting from multiple maternity/paternity leaves during FY 21-22, 2) loss of FTEs due to maternity staff returning part time, 3) inability to successfully recruit a Principal Planner vacancy resulting from retirement and temporarily being filled by a part-time retired annuitant, and 4) the backlog resulting from a 0.2 FTE Building Official.
- Services being eliminated from the budget include staffing the Owens Valley Groundwater Authority (OVGA) in which membership was terminated, and multiple grant programs, including sage-grouse conservation (transferred to Public Works) and SB2 grant programs (Accessory Dwelling Unit [ADU], vehicle miles traveled (VMT) streamlining, and greenhouse gas (GHG) emission inventory and streamlining).
- Increases include new (or continuation of) grant programs including the North County Water Transfer program, special district study to support increased housing density (California Development Block Grant Technical Assistance), and administration of the Integrated Regional Water Management grant (if awarded).

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- Provided public service and assistance by answering questions about land use regulations, including multiple scenarios and “what if” brainstorming, and prioritizing Mountain View Fire recovery.

- Completed processing of development applications, including General Plan amendments, variances, use permits, director review permits, cannabis operations permits, short-term rental activity permits, lot line adjustments, mergers, and building permits and inspections, among others, as well as plans of operations, to ensure consistency with land use regulations, and completing the associated CEQA analysis and documentation.
- Received, investigated, and responded to code compliance violations, including taking further legal action such as citations and/or litigation when necessary.
- Managed and participated in regulatory, community, and collaborative forums such as the Planning Commission, RPACs, Collaborative Planning Team, LTC, Land Development Technical Advisory Committee (LDTAC), Long Valley Hydrologic Advisory Committee, LAFCO, Housing Authority, Tri-Valley Groundwater Management District, and sage grouse collaboratives (Executive Oversight Committee, Technical Advisory Committee, Local Area Working Group).
- Specific program accomplishments include assistance to the Owens Valley Groundwater Management Authority (OVGA) to complete the Owens Valley Groundwater Sustainability Plan, support of additional groundwater management in Mono County and the Tri-Valley, completion of various housing reports and two grant-funded projects related to housing (ADU prescriptive designs, GHG/VMT streamlining and GHG inventory update), completion of transportation programs in the LTC's Overall Work Program, including community outreach for the West Walker River Parkway (WWRP) plan.

FY2022-23 Objectives

- Respond to public inquiries about land uses and other CDD programs.
- Process development applications and CEQA, including building permits.
- Manage and participate in regulatory, community and collaborative commissions and committees.
- Respond to code enforcement cases.
- Complete grants and priorities, including the CDBG TA grant to study special district capacity to support increased housing density, update municipal service reviews for LAFCO, finish North County Water Transfer Program policies and amend the General Plan, provide administration for the IRWM grant for a Tri-Valley groundwater model, study the impact of short-term rentals on the long-term rental housing market, and implement the LTC's Overall Work Program, including completing the June Lake Active Transportation Plan and assisting with the WWRP plan.

DEPARTMENT SERVICES OVERVIEW

County Counsel. The Office of the County Counsel is in-house legal counsel, and performs risk management functions, for the County of Mono and other entities within County government. The office also provides legal services to special districts upon request and to the Civil Grand Jury.

CHALLENGES, ISSUES & OPPORTUNITIES

Key challenges for the County Administration Department during FY2022-23 include:

- Supporting all levels, of the County workforce during a time of unprecedented uncertainty.
- Continuing the mitigation of, and response to, the COVID-19 pandemic.
- Stewardship of County resources during the continued economic downturn.
- Solving vacancies at the senior staff and other levels; and,
- Addressing the ongoing need for additional workforce housing throughout Mono County.

For more information, call (760) 932-1700, or visit <https://monocounty.ca.gov/counsel>

REQUESTED BUDGET CHANGES FOR FY2022-23

- Minor increases for inflation
- Increase in training budget to reflect two new employees in the department
- Continuation of 3-month internship position approved in last year’s budget

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- Represented County in twelve civic cases in both state and federal court, ranging from challenges to County’s COVID regulations to code enforcement matters to litigation against the City of Los Angeles over the provision of water in Long Valley. Each of those cases is either still pending or was resolved favorably to the County. Also represent County in multiple child and adult protective services cases.
- Overhauled at-will contract system in response to Board direction by creating evergreen contract templates that focus on performance-based management for use with all at-will position going forward.
- Drafted and facilitated the adoption of policies to improve county operations and employee wellness including, but not limited to: Lactation Policy; Remote Work Policy; Dependent Care Policy; updated Management Compensation Policy.
- Developed and implemented countywide safety and wellness procedures related to COVID-19 and the Civic Center.

FY2022-23 Objectives

- Achieve full County Counsel’s office staffing.
- Maintain excellence of legal representation and service to the County.

- Support transition to a fully staffed and highly functional human resources department by, among other things, continuing to assist with policy development, training and the provision of sound legal advice.
- Support various high priority County initiatives including the construction of a new jail facility, affordable housing opportunities, transition of the County's solid waste program away from in-County landfilling, and other initiatives.

DEPARTMENT SERVICES OVERVIEW

District Attorney. In The Office of the District Attorney is an independent constitutionally mandated county office with the primary purpose of promoting and protecting the public peace and safety of our residents and visitors. The Office is divided into three separate divisions which include: 1) Attorneys/Prosecutors staff; 2) Investigative Unit; and 3) Victim/Witness and Administrative Staff. These three divisions serve the community in numerous different ways. In part, the Office provides the following services:1) Investigation and Prosecution of all crimes committed within the County; 2) Serves as the County’s Public Administrator; 3) Grand Jury Advisor; 4) Advocate for Victims and Witnesses of crimes; 5) Enforcement of Civil and Environmental Laws; 6) Assist in restraining orders; 7) Provide legal counseling and referrals; 8) Trainers to allied agencies; 9) Assist other county departments with personnel and sometimes criminal issues; 10) Assist other counties in the state with investigation and prosecution services and;11) Participates in numerous multi agency and community solution groups.

CHALLENGES, ISSUES & OPPORTUNITIES

Key challenges for the District Attorney during FY2022-23 include:

- The department is primarily crime driven and given changing times, continued adjustments in the justice laws, added with covid related crimes and the ever-fluctuating covid impacts, the ability to predict, keep up with, and maintain the fluctuating but increasing case-loads presents significant challenges to personnel management, work load management, and cost management to continue providing for high level and effective mandated services.

REQUESTED BUDGET CHANGES FOR FY2022-23

- The Office of the District Attorney does not have any major requests for budget modifications. Instead, there are a few minor changes associated with a combination of inflation as well as the return to in-person court and in-person mandatory continuing education requirements. The requested modifications are listed below by category:
- Vehicle Fuel - \$4,000 increase – This request is due to fuel cost increases in the last year and the return to in-person court and training.
- Travel and Training - \$5,000 increase – This request is due to the return of in-person trainings that were suspended during the last two years. Every employee of the Office of the District Attorney has state-mandated continuing education that must be completed to keep employment and license requirements current. Even though this current budget year was still a “Covid” year, we will exceed our training budget due to required mandatory training hours. Further, the Office expects this cost to increase next year due to increased cost of travel as well as employees catching up on training missed over the past two years.

- Technology - \$6,000 increase – Due to the volume of cases including several homicides which occurred over the past few years, the Office is requiring additional storage in order to comply with discovery obligations under the law. This year, we surpassed the allowable storage under our current vendor plan with Karpel Case Management Systems and are being required to move to a higher priced plan. In addition, the Office will also be charged an additional \$2,000 annual expense to be compatible with a new Mono County Superior Court case management system. The court will require e-filings and for our Case Management system to be compatible, the additional upgrade/fee will be required.
- Office Expense – This request is for approximately \$2,000 and is attributed to the increase in the cost of supplies. Office supply prices have risen sharply in the past year and the additional funding will ensure adequate resources to supply 2 office locations.
- Telephone – This expense will be an anticipated decrease in the budget request of approximately \$700 due to a conversion and fee-splitting with another department.

ACCOMPLISHMENTS AND OBJECTIVES

FY2022-23 Objectives

- No new projects are proposed. The only goals for this budget year, is to assure that mandatory functions are being performed, counted, and measured. Non-mandated services will be attempted but not at the detriment of the core and mandated services. Measurements of our mandated services will be stat driven and monitored through stats and survey data to ensure compliance, completion, and service satisfaction.

ECONOMIC DEVELOPMENT

Alicia Venнос
Economic Development Director

The Our mission is to support a thriving, sustainable year-round economy for Mono County by strengthening existing business sectors through the pandemic recovery and beyond, providing leadership and resources for business attraction, retention and expansion while preserving the County’s vibrant quality of life and generating “living wage” employment opportunities for residents.

BUDGET AT A GLANCE	FY2022-23

DEPARTMENT SERVICES OVERVIEW

Economic Development Department. The Economic Development Department strives to enhance the year-round economic base of Mono County through job creation, by promoting Tourism and overnight visitation, and implementing key initiatives that focus on business retention and expansion, as well as business attraction. The department serves as support staff to the Mono County Economic Development, Tourism and Film Commission, implementing tourism marketing initiatives countywide, acts as the Film Office, and oversees and administers the Fish Enhancement and Fish & Game Propagation programs, as well as administering several Community Support grant programs for local non-profits.

REQUESTED BUDGET CHANGES FOR FY2022-23

- **Economic Development:** Increase .25 FTE Economic Development Assistant to full-time. Social Services will consider cost-sharing this position by .25 FTE to provide outreach and marketing of Workforce Investment Opportunity Act (WIOA) programs to local small business community. A full-time assistant position is necessary for ED to provide “intake” services for Inyo National Forest film permit applications, thus keeping Forest film permit authorization timeframe to 15 business days, providing augmented service to production companies and increasing filming revenues in Mono County.
- **Community Support:** The community grant programs are consistently oversubscribed each year from \$14,000 to \$56,000. In addition, the Town of Mammoth Lakes has requested an increase of \$2,000 for the Youth Sports program, from \$8,000 to \$10,000. The total requested increase of \$18,500 (from \$44,000 to \$62,500) allows for additional funds to support important local non-profits – Chamber fundraising events, Historical Societies/Museums, Performing & Visual Arts organizations -- that deliver programs, events, and products which enhance the lives of local residents, K-12 school students countywide, as well as the visitor experience. The request, broken down, is for an additional \$5,000 for Community Event Marketing Fund (CEMF) from \$20,000 to \$25,000; an additional \$3,500 for Historical Societies Grant Fund (HSGF) from \$6,000 to \$9,500; and additional \$8,000 for Performing & Visual Arts Grant (PVAG) from \$10,000 to \$18,000. The PVAG is the most oversubscribed grant program and the arts and music programs for our schools in both school districts are being impacted. The \$6,000 HSGF is anticipated to be grossly oversubscribed post-pandemic with the launch of a more active June Lake Loop Historical Society and return of applications from Southern Mono Historical Society.
- **Tourism:** The increased expenditures of \$35,500 is supported by cash balance/Tourism Marketing Reserve Fund and will assist in important sustainable tourism/responsible recreation messaging, shoulder season marketing, and international marketing recovery.

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- Transient Occupancy Receipts for FY21-22 expected to surpass projections by approximately 10%, bringing total receipts to 2017-2018 levels. Q2 and Fall color shoulder season saw record breaking TOT numbers.
- Successful application and implementation of CDBG CV 1-2-3 grant funds of almost \$300,000, providing several qualifying local businesses with financial assistance through forgivable loan program.
- Successful design and implementation of sustainable tourism messaging through *Camp Like A Pro* campaign
- Completion of “California’s Great Beyond” branding, including redesign of the ED, Film, and Tourism websites
- Distribution of over \$44,000 in grant funds to 15 eligible non-profits
- Designed and implemented successful fish stocking plan in 18 bodies of water; produced new edition of Eastern Sierra Fishing Map with new/revised regulations

FY2022-23 Objectives

- Drive overnight visitation to Mono County, focused on Q2, Q3, and Q4 (shoulder seasons), to increase Transient Occupancy Tax revenues to 2019 pre-pandemic levels
- Strengthen tourism economy with increased communication and education regarding responsible recreation/sustainable tourism, promotion of shoulder season, effective fisheries management, and recovery of international visitation
- Explore opportunities to expand and enhance sustainable tourism opportunities, such as off-highway vehicle activities, using current county infrastructure and other public lands
- Develop Film Office capacity to provide “intake” services for Inyo National Forest film permit applications
- Support and retain the existing business community by continuing to provide opportunities for growth and recovery through federal, state and local assistance opportunities, as well as to establish a business appreciation initiative.
- Provide quarterly reports and website access regarding Mono County economic data utilizing research and information available through local, state and federal sources
- Develop and implement a plan that identifies opportunities for a flexible economy based on attracting businesses from sectors outside the tourism/recreation industry

DEPARTMENT SERVICES OVERVIEW

Emergency Medical Services. Mono County Emergency Medical Services is the pre-hospital, advanced life support, ambulance transport department for the County. Established in 1978, Mono County EMS has provided 24/7 emergency service to the citizens and visitors to Mono County. Our paramedics and EMT’s face a variety of challenges in accessing, treating, and transporting patients in extreme weather conditions and geographical terrain. Training and experience in rope, ice, and swift water rescue, as well as advanced trauma and medical skills, provide the citizens and visitors who recreate here a level of safety and security knowing that help is just a 9-1-1 call away.

CHALLENGES, ISSUES & OPPORTUNITIES

Key challenges for Emergency Medical Services include: County Administration Department during FY2022-23 include:

- The ability to recruit EMS staff to keep up with the retirements anticipated for next year.
- Train with MCSO and Behavioral Health to better serve patients experiencing behavioral health emergencies.
- Continue to work to engage with the community to meet current needs and expectations.
- Sustainability, adaptability, and revenue enhancement will be priorities in FY2022-23.

- 32860 Rents and Leases. Other. Increase due to contract increase with Antelope Valley Fire District for ambulance bay rental.
- 33010 Small Tools. Increased to purchase 4 iPads for ambulances.
- 33600 Utilities. Increase due to rising cost of propane and electric.
- 53030 Capital Equipment, \$5,000+. Purchase 5 additional AEDs for placement in County facilities. Replace expired batteries and pads for existing units.

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- All staff certified as Ambulance Documentation Specialists. This improved documentation skills reduced the number of insurance denials and increased care and revenue.
- Remounted Bridgeport ambulance – Medic 7. This action reduced the cost of ambulance replacement by 52% by replacing the chassis only.
- COVID-19 Testing assisted law enforcement with the rapid testing of arrested individuals prior to booking. This helped protect the jail from COVID spread.
- Paramedic recruitment was successful and led to internal recruitment from within our Reserve EMT staff.

FY2022-23 Objectives

- Safe and healthy community strategies were implemented through the below action:
- Enhance County-wide Automated External Defibrillator Program (AED)
- Place five additional AEDs in County buildings. Replace expired batteries and pads in existing units.
- Develop relationships with NPS, MWTC, SAR and local FD's
- Work with allied agencies to increase training together through hosting outside instructors, cost sharing, and coordinated training.
- Active pursuit of alternative funding sources by apply for grant funding through Federal and State resources to upgrade or replace aging capital equipment (EKG monitors, power-load gurney's).

FINANCE

Janet Dutcher, CPA, CGFM, MPA
Director of Finance

The Office of the Auditor-Controller Division of the Department of Finance is to provide independent accounting, reporting, and auditing services to County departments, special districts, and schools in accordance with federal, state, and local laws in an efficient and cost-effective manner, thus maximizing their value to the people of Mono County.

BUDGET AT A GLANCE	FY2022-23
Total Expenditures	(\$5,216,359)
Total Grant / Earned / Govt Revenues	\$2,932,416
Total Use of Fund Balance	(\$208,859)
<hr/>	
Total General Fund Contribution	\$2,492,802
Total Staff	12.00 FTE
% Funded by General Fund	47.8%

The Treasurer-Tax Collector Division of the Department of Finance is to invest public funds in a way that ensures security of principal, sufficient liquidity to meet operating cash flow needs of pool participants, and to receive a market rate of return while adhering to all applicable laws, statutes, and resolutions. Additionally, the office is to provide high quality consistent customer service to taxpayers and businesses in collecting taxes and licenses while exercising consistent due process in following all federal, state, and local tax laws and ordinances. The Division collects taxes on behalf of all taxing jurisdictions in the County.

DEPARTMENT SERVICES OVERVIEW

Finance. In The Department of Finance provides accounting, budgeting, payroll, cash management and investing, tax billing and collecting and other financial services delivered through two divisions: Auditor-Controller and Treasurer-Tax Collector. Employing and retaining trained and experienced staff in both divisions who can anticipate and solve problems, recognize non-compliance and instruct users on how to fix the underlying causes, and meet deadlines on time and without errors is the Department’s chief challenge. Issues arise when our users and taxpayers’ desires for expediency, flexibility, and/or exceptions to rules and policy conflict with ensuring all transactions comply with federal, state, and local rules and policy. Key opportunities for substantive improvement in our operations is the development of knowledge-based library resources and using technology to offer staff relevant educational training. The Finance Department is responsible for the following budget units:

Budget Unit Identifier	Budget Unit Name	Description of Purpose
100-10-001	General Revenues	Represents the County’s GF discretionary resources that includes property, sales, and transient occupancy taxes, among other sources of revenues having no restrictions.
100-10-071	GF Transfers & Contributions	Used to make County required maintenance of effort (MOE) payments, subsidies to other County services, and support for external agencies and community organizations.
100-10-330	GF Contingency	GF expenditure contingency, according to budget policy. Provides resources when unanticipated spending occurs, or actual spending exceeds existing budget estimates with no other sources of funding.
100-12-070	Finance Department	Operating budget unit for the Finance Department that includes 13 employees.
100-21-075	Court MOE	A budget unit used to pay the County’s obligations with the Superior Court as required by law, including the facilities MOE, Court Operations MOE, and the 50/50 Excess Revenue payment.
101-10-001	General Reserve Fund	A reserve fund, accumulating resources available to financially support the County’s response during a legally declared emergency.

134-22-440	EMS Fund (Maddy's Law)	Revenues consist of the penalty assessments in Government Code section 76000 and 76000.5, per resolution of the Board of Supervisors. Resources are available to support paramedics, emergency hospital visits, and certain physicians and surgeon costs.
150-10-001	Cannabis Taxes Fund	Collection offset by the cost of collection of Cannabis Business Taxes.
151-10-001	Economic Stabilization Fund	A reserve fund, setting aside resources for future spending needs.
179-10-001	Disaster Assistance Fund	Spending and collection of resources associated with officially declared emergencies.
198-10-001	Debt Service Fund	Accumulates resources for making annual debt service payments.
655-10-305	Copier Pool Fund	Pooling of copiers, postage, and folding machines for use by County departments.

REQUESTED BUDGET CHANGES FOR FY2022-23

- Difficulties in recruiting has led the department to underfill and invest in training. This produces \$45,000 in salary savings over this year's budget.
- Existing vendor costs are 3% to 7.5% higher than last year.
- \$15,000 to engage a third-party administrator who will update our deferred compensation benefit plan documents and guide the Department in establishing a deferred compensation benefit oversight committee.
- Anticipate spending \$20,000 less on special district audits because the external auditor made significant progress on finishing backlogged unaudited years.
- Travel and training budget increased nearly \$13,000 to accommodate in-person meetings and conferences and also expand training opportunities for newer staff additions.

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- Supported County efforts to engage employees in leadership opportunities.
- Sent four (4) key Finance employees to the NACo Leadership Academy with a 100% graduation rate.
- Implemented a cross training program to improve collaboration, to strengthen team relationships and motivation, to increase efficiency, and to support succession planning.
- Collections for secured taxes as of May 6, 2022 are at 98.45%, and anticipate that collections will be above 99% by June 30, 2022.
- Fully staffed as of May 16, 2022.
- Committed to recruiting employees that are a good fit, self-motivated, and looking to improve their knowledge and skills.
- Conducted a series of board workshops addressing the County's unfunded pension liability, the more than 90% funding of the County's Other Post Employment Benefits (OPEB) liability, and use of Pension Obligation Bonds and the Pension Rate Stabilization Trust.

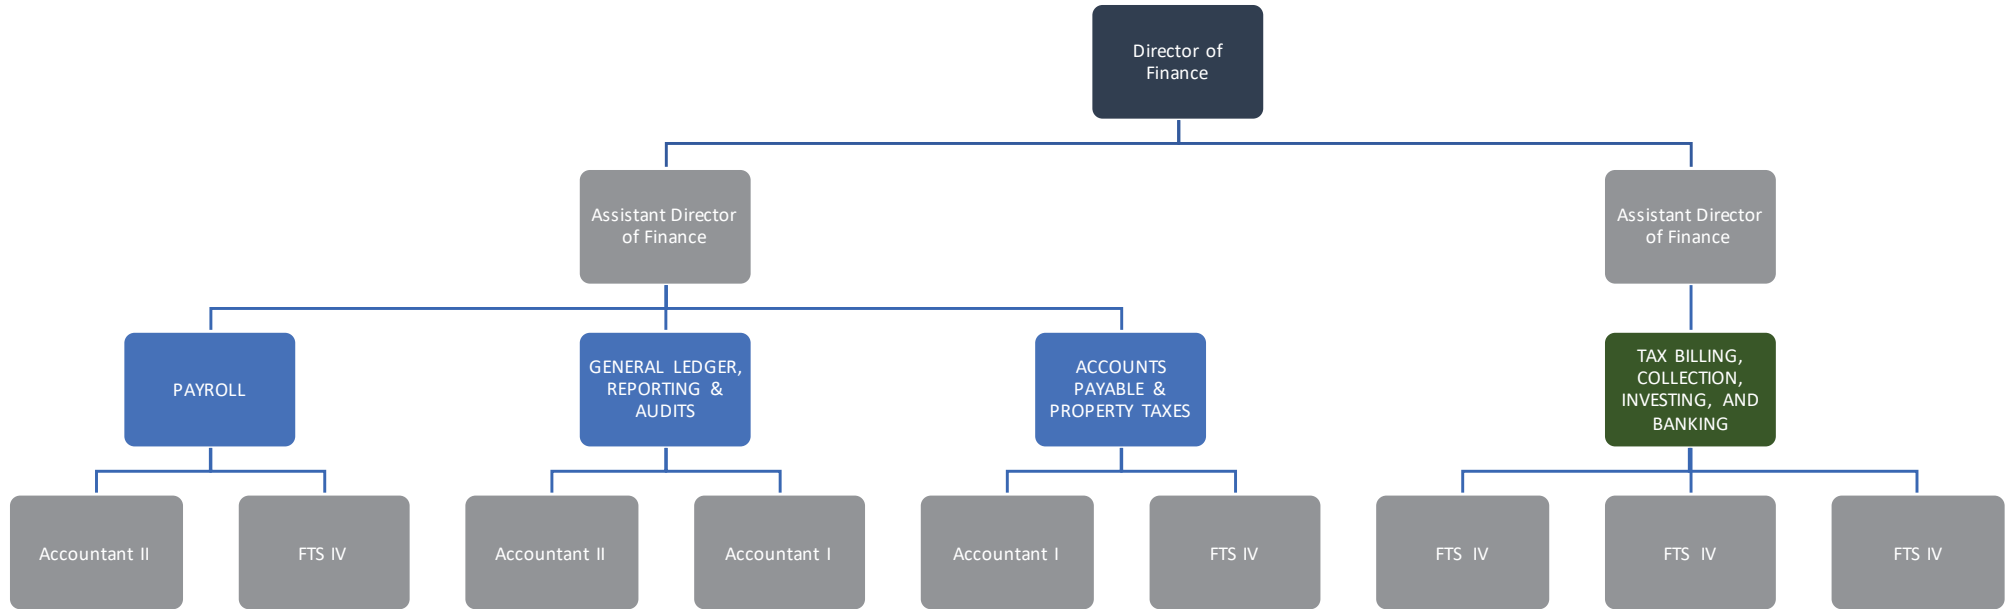

FY2022-23 Objectives

- Migration from Innoprise Suite of software to Harris City Suite application.
- Implementation of capital asset tracking and accounting using City Suite.
- Complete the annual financial audit and reporting by January 31, 2023.
- Complete the preparation of the County's annual cost plan by March 31, 2023.
- Engage a third-party administrator to advise the County about management of Deferred Compensation Plans, including updating of the County's plan documents by June 30, 2023.
- Coordinate quarterly training with outside departments to communicate fiscal processes and best practices.
- Continue exceeding 99% collection on the current secured property tax roll.
- Send two finance employees to the NACo Leadership Academy.

DEPARTMENT SERVICES OVERVIEW

Information Technology. The Mono County IT Department is a Tier 2 - Essential Services department which provides the core technology, data, and communications infrastructure for Mono County and the Town of Mammoth Lakes. The Department is comprised of 12FTE employees who are spread between three business lines: Infrastructure, Services, and Applications/GIS. In addition to the core IT services which are provided to our users, the IT Department is responsible for management of the Radio & Communications Division (151) which is primarily focused on maintaining and improving Mono County’s Public Safety & Administration Land-Mobile Radio System (LMRS).

DEPARTMENT SERVICES OVERVIEW

Probation Department. The Adult Division provides supervision and evidence-based programming to justice-involved adults and works closely with community justice partners to deliver needed assistance. The Division of Adult Probation also conducts investigations, prepares presentence reports, and provides pretrial and reentry services. The Juvenile Division provides supervision, services and manages cases of delinquent, status offense and dependent youth. The division provides evidence and trauma-based practices to assist court-ordered youthful offenders through a term of supervision by preventing crime by changing criminal thinking, conducting investigations for the court, holding youth accountable, habilitating youth with evidence-based strategies and education.

CHALLENGES, ISSUES & OPPORTUNITIES

Key challenges, issues and opportunities for the Probation Department during FY2022-23 include:

- Lack of after school programs throughout the county and preventative programming.
- Rural communities that are far away from the Town of Mammoth Lakes where most services are located struggle with receiving assistance;
- Transportation issues caused by weather.
- High cost of living causes both parents to work multiple jobs thereby spending less time with the youth;
- Ongoing need for transitional housing; and,
- Pretrial and reentry offenders receive targeted assistance and support is an opportunity for our county.
- A Contract Counselor and collaboration with BH and Social Services helped to create programs for youth that are at risk of removal

DEPARTMENT SERVICES OVERVIEW

Public Health. Environmental and Public Health promote and protect the health of people and the communities where they live, learn, work and play. Mono County Health Department strives to prevent people from getting sick or injured and promotes wellness by encouraging healthy behaviors through an upstream approach. The 10 Essential Public Health Functions serve as a framework for how local, State, and Federal mandates and core functions are upheld and implemented.

CHALLENGES, ISSUES & OPPORTUNITIES

Critical challenges for Public Health Department during FY2022-23 include:

- Public Health indirect costs are higher than what we can charge state and federal grants causing a deficit;
- Environmental fees that have not increased since 2014, causing the Environmental Health Department to consume an estimated 58% of Public Health realignment;
- Continued COIVD activities with COVID grants ending and ensure funding for the upcoming fiscal year;
- The loss of Ryan White funding to provide HIV/STI testing and treatment;

- With all the equipment required to combat COVID, supplies storage is problematic. Public Health is currently renting storage space;
- As COVID grants expire, staff retention will become a concern.

REQUESTED BUDGET CHANGES FOR FY2022-23

- Addition of a Director of Nursing Position to ensure a proper chain of command and consistent monitoring of clinical activities;
- The Loss of Ryan White funding due to the low incidents of positive HIV testing;
- New COVID grants such as Workforce Development Grant;
- Addition and loss of staff as covid grants expire and new grants evolve.

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- The reestablishment of in-office services;
- The updating of Public Health infrastructures such as our auto fleet, IT equipment, and clinical equipment;
- The hiring of a new Health Officer
- The administration of 1600 plus influenza vaccinations;
- The administration of 3000 plus COVID vaccinations.

FY2022-23 Objectives

- Increase the number of Public Health encounters in unincorporated Mono County;
- Increase the number of staff training for all departments under Public Health;
- Improve our clinical protocols and supervision through the addition of a Director of Nursing
- Increase the vaccination rate for all vaccine-preventable diseases for all age groups in Mono County

PUBLIC WORKS

Tony Dublino
Public Works Director

The Department of Public Works develops and maintains the County’s physical infrastructure that supports the transportation, recreation, waste management, and public service needs of the County’s residents and visitors, is to plan and direct the day-to-day operation of County government, while ensuring that federal, state, and local laws and Board policies and directives are executed in an effective, efficient, and accountable manner.

BUDGET AT A GLANCE	FY2022-23
Total Expenditures	(\$21,759,940)
Total Grant / Earned / Govt Revenues	\$15,431,370
Total Use of Fund Balance	\$2,352,120
<hr/>	
Total General Fund Contribution	\$6,017,357
Total Staff	58.00 FTE
% Funded by General Fund	27.7%

DEPARTMENT SERVICES OVERVIEW

Public Works Department. The Department of Public Works oversees the County’s 684 miles of roads, 95 structures (including 4 office buildings, 5 road shops, 7 community centers, 17 parks, ballfields and skateparks, 7 solid waste facilities, and several other public facilities). The mission is challenging due to the great physical distances between many of the County’s communities and the lack of funding to redevelop aging infrastructure. The County’s isolated location creates difficulties with obtaining services and staff, while creating the landscapes that draw tourists to our region.

CHALLENGES, ISSUES & OPPORTUNITIES

Key challenges for the County Administration Department during FY2022-23 include:

- Supporting all levels, of the County workforce during a time of unprecedented uncertainty.
- Continuing the mitigation of, and response to, the COVID-19 pandemic.
- Stewardship of County resources during the continued economic downturn.
- Solving vacancies at the senior staff and other levels; and,
- Addressing the ongoing need for additional workforce housing throughout Mono County.

REQUESTED BUDGET CHANGES FOR FY2022-23

- Provide funding within the Facilities Budget for specific small-scale maintenance and improvement projects
- Increase funding for necessary tools and equipment
- Create additional Supervisor allocation
- Make necessary investments in CARB compliance to account for recent staffing changes
- Provide funding where necessary for transition from Benton Crossing Landfill to a Long-Haul transfer system including equipment, infrastructure, site work and contract services for special handling waste items.
- Major contract service changes this fiscal year:
- Green waste processing on hold
- 3rd Party Solid Waste Legal Assistance no longer required
- Satellite Transfer Station Operations under new contract pricing
- Water Sampling and Laboratory Testing under new contract pricing
- Landfill Surveying brought in-house
- Decrease outside revenue into Engineering, to allow for hiring additional outside services to provide additional staff time for consulting services
- Increase funding for tech equipment and software so engineers can maintain the highest level of performance
- Increase the funding for office equipment to replace the trash we are using now.

DEPARTMENT SERVICES OVERVIEW

Administration (Office of the County Administrative Officer). The Sheriff's Office provides law enforcement services for the County, including: Patrol; Jail; 9-1-1 Public Safety Answering Point; Civil Services; Coroner; Emergency Management; Investigative; Search and Rescue; Court Security; and Administrative. The Sheriff's Office is also the Dispatch for the Sheriff's Office, Mammoth Lakes Police Department, Emergency Medical Services, and all Fire Protection Districts. We strive to maintain a high quality of life and a true sense of safety for the people who live, work, and visit Mono County. We patrol over 3,300 square miles of terrain by car, snowmobile, sno-cat, ATV, boat, and foot. We answer all 9-1-1 and non-emergency calls 24-hours a day, dispatching all law enforcement, medical and fire first responders. We patrol our neighborhoods; investigate crimes; comfort victims; arrest violators of the law; enforce traffic laws; protect our courts; serve subpoenas; patrol schools; attend community events; and assist lost and weary travelers. We operate the County Jail, where we house inmates arrested for a variety of crimes, from the most minor offense to the most serious. As the Coroner, we investigate every death that occurs in Mono County.

CHALLENGES, ISSUES & OPPORTUNITIES

Key challenges for the Sheriff during FY2022-23 include:

- Recruitment and retention, especially at the Correctional positions, is difficult for all law enforcement
- Jail Construction is years behind projected schedule, with costs escalating as time passes
- POST Reimbursement for training continues to improve and increase, allowing for expanded training opportunities
- Current employees are enthusiastic about creating a Recruitment Program

For more information, call (760) 932-7549, or visit monosheriff.org

REQUESTED BUDGET CHANGES FOR FY2022-23

- Requesting that one "frozen" Deputy position be funded and upgraded to Sergeant
- Requesting funding for technology-based investigative tools
- Requesting funding for Recruitment Team to fill Correctional Deputy vacancies

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- Obtained legislation converting Public Safety Officers to Correctional Deputies
- Ensured all staff are in compliance with State training mandates
- Trained three employees in background investigations, saving time and money from using outside firm
- Partnered with the Federal Bureau of Investigation to have representation on their Task Force
- Received grant funding to replace damaged patrol boat

FY2022-23 Objectives

- Continue progress toward building the Jail
- Partner with Behavioral Health and Emergency Medical Services to implement the Crisis Response Team
- Hire qualified candidates to fill vacant Correctional Deputy positions
- Promote existing Correctional Deputies to Deputy Sheriff
- Seek training opportunities for all staff to meet mandates and to enhance career development

DEPARTMENT SERVICES OVERVIEW

Social Services Department. Governed primarily by Federal and State mandates, the Department of Social Services provides services and programs critical to delivering a countywide system of health, security, and safety for vulnerable County residents. Operation of Social Services programs is funded by a combination of federal and state revenues, Social Services realignment funds, miscellaneous revenues, and a required County General Fund contribution. The Department provides services under three main service areas: Health (Health Coverage and Food Assistance); Security (Financial Assistance and Workforce Services); and Safety (Child Welfare Services, Adult Protective Services, In-Home Supportive Services). In addition, the department manages the Mono County Senior Services Program, serves as the Probate Conservator, and operates county-wide emergency shelters. Department offices are in Mammoth Lakes, Bridgeport, and Walker. The Department also operates the Antelope Valley Senior Center in Walker. Providing excellent customer service while ensuring compliance with State and Federal program mandates for providing social services is a primary focus of the Department. Regulations specify the types of services; amounts of assistance benefits; time frames for delivery of services and/or benefits; accuracy levels that must be maintained in administering programs; and Statewide statistical measurements for tracking performance. The mandates, laws, and regulations governing programs administered by the department are subject to frequent changes due to Federal and State legislative and government agency action; funding reductions and increases; and sometime court rulings. These changes present many challenges and often require major changes in the service environment. The Social Services Department is dedicated to meeting these challenges and responding proactively and positively to the ever-changing public service landscape. We are proud of our record this past year in providing safety net services that help our community be safe, supported, and self-sufficient while complying with required program mandates.

CHALLENGES, ISSUES & OPPORTUNITIES

Key challenges for the County Administration Department during FY2022-23 include:

- Supporting all levels, of the County workforce during a time of unprecedented uncertainty.
- Continuing the mitigation of, and response to, the COVID-19 pandemic.
- Stewardship of County resources during the continued economic downturn.
- Solving vacancies at the senior staff and other levels; and,
- Addressing the ongoing need for additional workforce housing throughout Mono County.

REQUESTED BUDGET CHANGES FOR FY2022-23

- The Department opted into the following funding opportunities to implement new programs:
- Three separate housing and homelessness prevention funding allocations, totaling \$750,000, made available through the California Department of Social Services Housing and Homelessness Branch. All three allocations are state-funded, locally administered programs in which participating counties and their partners provide housing-related supports to eligible individuals and families.

- \$375,000 Family First Prevention Services Act (FFPSA) Block Grant; and \$100,000 FFPSA Transition funds aimed at reducing the risk of children being placed into foster care.
- \$129,000 allocation to enhance existing child welfare social workers ability to provide Emergency Response services.
- The Department requests the following two workforce changes: 1) increase the number of Eligibility Specialist (ES) staff by one new ES Trainee/I/II. ES staff manage between 400-500 public benefit cases each. Increasing workforce capacity will allow the team to manage caseloads and continuity of business processes more efficiently and effectively. 2) create an At-Will Child and Adult Manager job classification and promote the current Program Manager (PM) to an At-Will Child and Adult Manager. The PM for Child and Adult Services position has grown in scope and complexity since inception in 2014, and now requires the incumbent to manage several complex program areas within the Department including a master's level Social Worker Supervisor II for Child Welfare, and master's level Social Worker Supervisor II for Adult Services for APS, IHSS, Conservatorship/Public Guardian Services, and Resource Family Approval.

ACCOMPLISHMENTS AND OBJECTIVES

FY2021-22 Accomplishments

- Approximately 1 out of every 4 Mono County residents received aid from one or more of DSS's public assistance programs at some point during the year. Assisted over 1,010 individuals in supplementing their diets through CalFresh benefits. Helped over 4,532 individuals receive healthcare through Medi-Cal benefits, 1,413 of whom were children under 18.
- Received and evaluated 144 allegations of child abuse and neglect through April 2022, of which approximately 50% were either investigated or responded to through outreach/referral. Responded timely 100% of the time (statewide goal is 90%) through March 2022 (April data still being entered). Complied 100% of the time with required face-to-face contacts with CPS clients.
- Fielded approximately 38 allegations of elder/dependent adult abuse and neglect through April 2022, of which approximately 85% were either investigated or responded to through outreach/referral. Responded timely for 100% of all reports. Complied 100% with required face-to-face contacts with APS clients.
- On track for achieving a 95% percent state compliance rate for conducting timely reassessment of In-Home Supportive Services (IHSS) clients this fiscal year. For the first 3 quarters of this fiscal year, Mono County had a 100% compliance rate for timeliness with a #1 ranking in the State.
- Implemented the Home Safe Program which supports the safety and housing stability of individuals involved in Adult Protective Services (APS) by providing direct housing-related assistance, and the Bringing Families Home Program which provides direct housing supports to families involved in the child welfare system.
- Provided over 12,000 meals to seniors throughout the county, mostly through home delivery.
- Completed migration to the California Statewide Automated Welfare System (CalSAWS), an integrated, user-friendly eligibility and case management system that supports key public assistance programs on a cloud-hosted architecture.
- Advocated for the interests of small population counties at the Chair and Executive Committee levels via California Welfare Director's Association (CWDA), NACo Human Services and Education Subcommittee, and National Association of County Human Services Administrators (NACHSA).

FY2022-23 Objectives

- The Department has implemented several new programs/funding opportunities intended to enhance the quality of life for Mono County's children and aging populations, specifically. Two new housing resources became available to the Department during the 2021-22 fiscal year and will continue into the 2022-23 fiscal year. First is the Home Safe Program which allocates \$250,00 to Mono County to provide direct housing supports to elders involved with Adult Protective Services. Second is the Bringing Families Home (BFH) program which allocates \$250,000 to the County to provide direct housing supports to families involved in the child welfare system. Also on the child welfare side, the Department, in partnership with Mono County Probation and with support from Mono County Behavioral Health, "opted-in" to a \$375,000 block grant which will support Mono County with implementation of Part I of the Family First Prevention Services Act (FFPSA). FFPSA is federal legislation that allows child welfare and probation to draw down Title IVE foster care dollars for prevention (rather than out-of-home placement) to reduce the risk of children being placed into foster care.
- Finally, with respect to internal workforce development, the Department accepted a \$129,000 allocation, Mono County | FY2022-23 Recommended Budget

appropriated by the State Budget Act of 2021 to enhance child welfare Emergency Response (ER) services. The Department chose to use those funds to create a “Rural County ER Stipend” for Social Workers and Supervisors responsible for investigating reports of suspected child abuse. The stipend is a strategy to recognize the unique demands of rural Social Worker staff who are expected to acquire a wider breadth of expertise, such as ER investigation, than their counterparts in more urban communities where staff specialize in specific areas of practice. The stipend is intended to promote job retention and incentivize future recruitment of rural social workers to Mono County. It will impact 6 positions in the Department and will augment those salaries by 5%.

Adult Services:

- The Home Safe Program will allow Adult Protective Services (APS) social workers to connect elderly clients in Mono County with concrete, tangible housing supports (including rental assistance) to decrease homelessness and housing insecurity for the elderly population. For adults that suffer from self-neglect, these types of supports will result in improved safety for approximately 10-20 eligible seniors and reduce the risk of harm occurring in the home.
- The Department is slated to assume a new function, Public Administrator, to provide an important service to the community by managing the disposition of deceased estates for persons without a will at the time of death and without an appropriate/willing person to act as an administrator. This role will serve the estates of the conservatees for whom the Department is already responsible for under its role as Public Guardian, along with others who require this service.
- Tri-Valley Senior Services: Enhance the quality of life for seniors in the Tri-Valley area by expanding and reclassifying the job of the Senior Site Coordinator (reclassified to a Social Services Aide, effective April 2022) from 16 hours per week to 34 hours per week. This increased capacity to provide supports to seniors includes the following objectives:
- Increase from 2 to 3 days of meal delivery for Meals on Wheels which will increase hot meal deliveries by one day and will increase the amount of contact time the Social Services Aide has with seniors.
- Social Support: Aide will have more time to identify and meet the social needs of seniors, which has a positive impact on mental health and prevention of isolation.
- Transportation: Aide will have more time to provide transportation to and from medical appointments or other activities of daily living
- Partnership with Public Health Nurse (PHN): Aide will join with Mono County PHN to screen seniors for health issues, offer vaccinations, and provide important health outreach
- Antelope Valley Senior Services:
- With Public Health, provide seniors with monthly screenings, information, and connections to services related to medical needs.
- Partner with Northern Mono County Hospice to identify, provide initial Hospice assessments, and visit families of seniors in need of this program.

Child Welfare:

- Enhance the quality of services for youth and families involved with the child welfare system through the Mono County Children’s System of Care (CSOC), which the Department created during the 2021-22 FY in partnership with other child-serving agencies, per AB 2083. The CSOC improves the lives of children and families by improving the coordination and communication between child-serving agencies, identifying community needs and gaps, developing strategies to fill those gaps, and integrating funding opportunities where possible to enhance the array of services to families.
- Complete a comprehensive Community Self-Assessment (CSA), required every 5 years under the California Child and Family Services Review (C-CFSR) process, which will assess the effectiveness of Mono County’s array of child welfare services by looking at data, getting input from stakeholders, and getting input from peer counties through case reviews. The CSA will inform the development of system improvement plan goals for the 2023-2028 C-CFSR cycle.
- “Children’s Summit” (July 2012): In partnership with County leadership and other child-serving agencies, the Department is involved in the planning for this event which will bring together community leaders and stakeholders to look at child well-being indicators for youth in Mono County and develop a “data dashboard” that will be updated into the future to track various measures of child welfare in Mono County.
- Housing: The Bringing Families Home (BFH) program begun to provide direct housing supports to families involved in the child welfare system during the 2021-22 Fiscal Year and will continue into the 2022-23 FY. Housing stability is often one of the most challenging issues that parents face in Mono County when trying to provide safety and security for children. BFH will reduce the negative impact of housing insecurity for the highest risk youth in Mono County. The Department anticipates serving anywhere from 5-15 eligible families in 2022-23.

Public Benefits/Eligibility:

- When the federal government lifts the public health emergency designation and the county resumes routine operations, ensure that renewals of eligibility and transitions between coverage programs occur in a manner that minimizes beneficiary burden and promotes continuity of coverage. The continuous coverage requirement has ensured that individuals enrolled in MediCal throughout the pandemic are not at risk of losing coverage. However, unwinding this provision will require individuals to complete renewals necessary to redetermine their eligibility to remain in the program. The Department remains focused on ensuring that eligible individuals do not lose coverage when it is time for their renewal.
- Implement the California CalWORKs Outcomes and Accountability Review (Cal-OAR) data-driven program management system. The purpose of Cal-OAR is to facilitate continuous improvement of county CalWORKs programs by collecting, analyzing, and disseminating outcomes and best practices. Components include conducting Cal-OAR Customer Satisfaction Surveys for CW and WTW; preparing a County Self-Assessment and developing a System Improvement Plan, all of which should result in better outcomes for CalWORKs consumers.

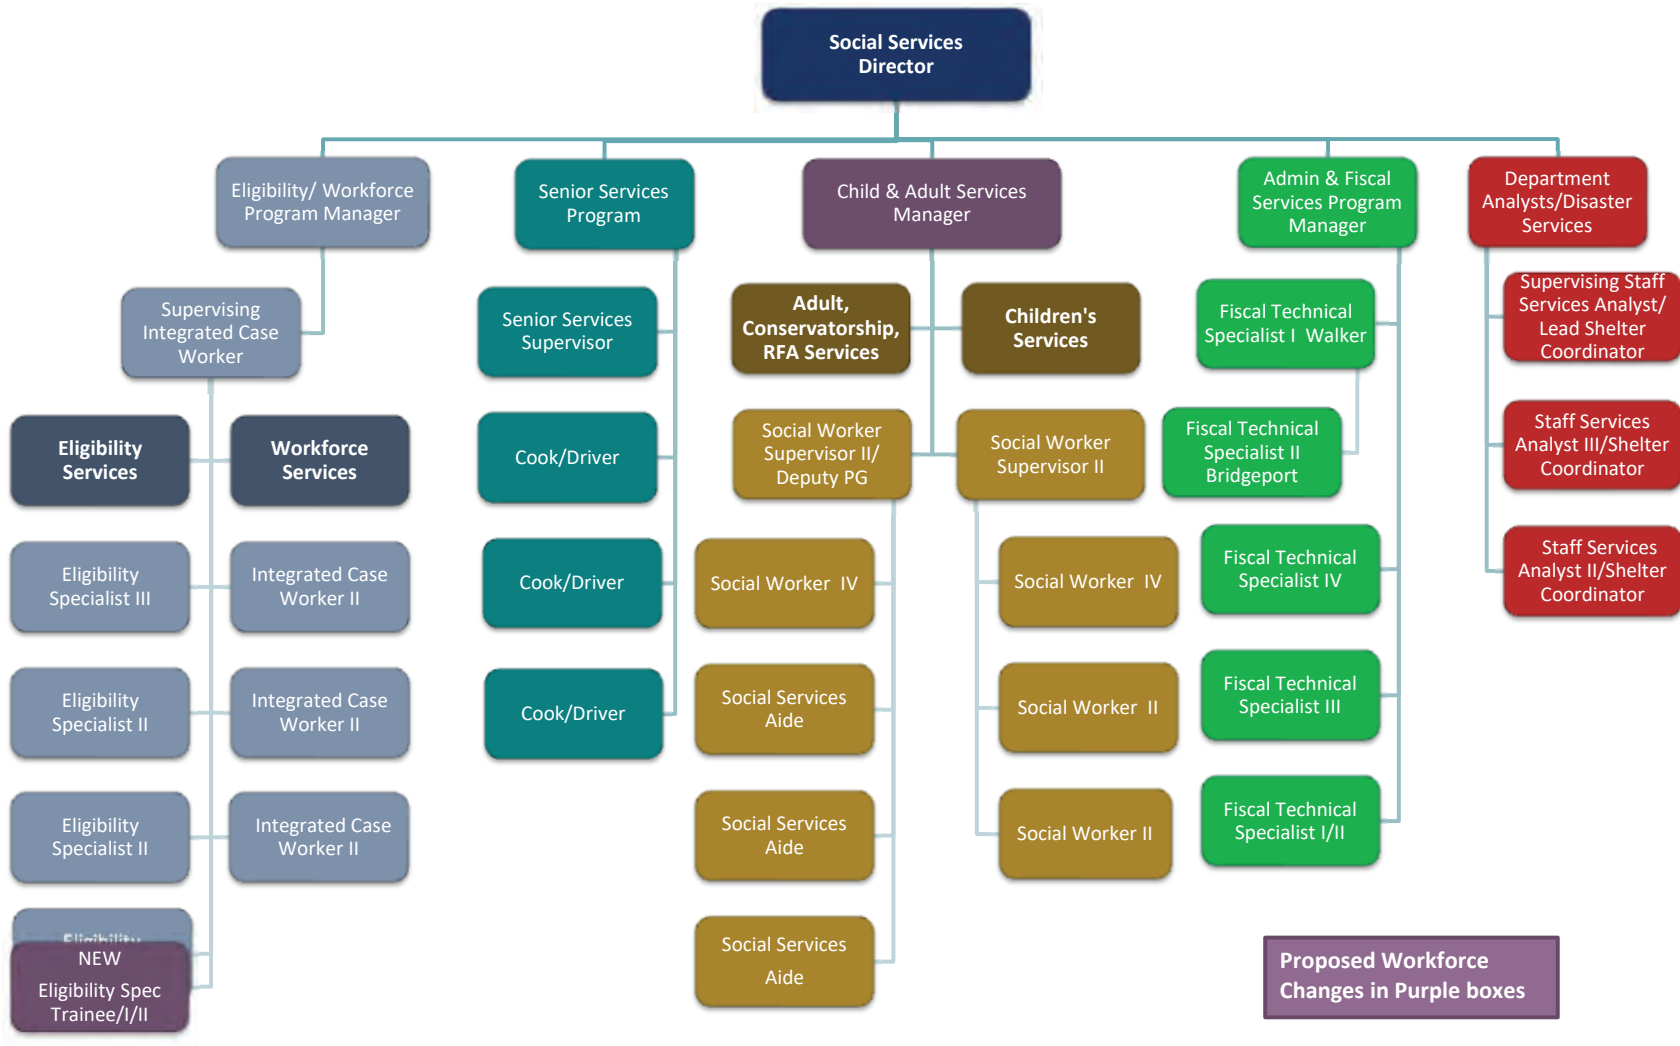

Disaster Services:

- Implement a Tri-County VOAD coalition for Mono, Inyo, and Alpine Counties by the end of FY 2022-23. VOAD is a partnership with local and statewide non-profit agencies and organizations that share knowledge and resources throughout a disaster cycle (preparation, response, and recovery) to support government and emergency operations in the event of a disaster.
