Hi Danielle,

Would you please see that the Mono County BOS receive the following letter.

*Thank you,
Sharon R. Clark*

Good morning, Mono County BOS,

It's been a long while since we've visited. May this email find you well.

Patricia Robertson is asking for \$600,000 from Mono County to fund the Access Apartments project in Mammoth Lakes. As you know, workforce housing in our community has been a priority for ten years. For a shovel ready project like this to languish is regrettable so any support you're able to provide is greatly appreciated.

Thanks so much,
Sharon
