**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

KERMIT JONES

AGE: 46

Occupation: Internal Medicine Physician

Education and Qualifications: I'm a doctor and Navy veteran.

I learned the value of hard work and personal responsibility on my family's farm. Those same values led me to join the U.S. Navy after 9/11 and I deployed to Iraq as a combat surgeon with the Marines. When I came home, I served as a White House fellow working to improve healthcare for our veterans, before I returned to California to work as a doctor.

For me, it's never been about politics, it's about keeping the oaths I made to my patients and our country. But I have watched the rising cost of living and devastating forest fires make life unaffordable and uncertain for too many Californians, all while career politicians in Washington and Sacramento play politics and put themselves and their party first.

In Congress, I will take a new oath – to bring service-oriented leadership to Washington. It will be my priority to tackle inflation and the rising cost of living. As a doctor who has treated over 20,000 patients, I will protect every woman's right to her own medical decisions, work every day to lower the cost of healthcare, and protect Medicare and social security for all Americans.

I am ready to stand up to both parties when they are wrong, whether it's Democrats who want to defund the police, or Republicans who would criminalize abortions nationwide and defend those who attacked our country on January 6th. Visit kermitjonesforcongress.com for more.

s/ Kermit Jones

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

KEVIN KILEY

AGE: 37

Occupation: California Assembly Representative

Education and Qualifications: Congress and the Biden Administration have failed the American people. Their reckless spending and policies have caused record inflation and harmed our economy.

I'm running for Congress to stop the wasteful spending, defend our Constitution, protect our freedoms and make our government accountable to the people. As your Representative I will work to cut debt; secure the border; reduce taxes; hold criminals accountable and put parents in charge of their child's education.

I know how to get things done. I wrote groundbreaking new laws on freedom of speech, privacy, and protections for sexual assault victims. I passed significant school choice legislation. I co-sponsored bills to increase fire protection and manage our forests.

I'm a reformer who declined a pay raise granted to Legislators and I decline \$40,000 annually in extra income other lawmakers collect. I introduced the bill to end special perks for politicians.

My experience includes serving as Deputy Attorney General representing you against violent criminals; defending the Constitution in court; and prosecuting a Chinese company for intellectual property theft. I am endorsed by over 50 fiscally conservative local elected officials – they know my record.

I grew up in this district. It's my home. And as your Representative I will fight to protect our quality of life. I'll never give up the fight for the founding principles that make America the greatest country in the world – freedom, justice, individual responsibility and a limited government that truly represents the people.

I'd be honored to receive your vote. Thank you.

s/ Kevin Kiley

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, DISTRICT 4**

MARIE ALVARADO-GIL

AGE: 48

Occupation: Educator/State Commissioner

Education and Qualifications: I'm running because California needs strong, principled leadership that represents our values in the State Capitol, forces Sacramento politicians to see, hear, and understand what we care about, and stop them from imposing one-size-fits-all policies that hurt our way of life.

I'm a parent who 20 years ago became a public school innovator when the school district tried to bully my special needs child into a cookie-cutter program that was best for the school district, rather than what was best for her. I went on to start three different award-winning charter schools.

As your Senator, I will champion policies that build a strong economy and stand up to aggressive government overreach in our homes and communities. That means opposing taxes, addressing gas prices, tackling inflation, securing our water supply, bringing better educational opportunities, attracting employers who pay livable wages, and expanding internet connectivity.

It means women controlling their own healthcare decisions, fewer state mandates, and less interference in people's everyday lives and freedoms. That's why local small business and civic groups like our local chambers of commerce, local elected officials, business leaders, family-owned farms, state and agricultural associations, and state and local public safety groups all endorse me for State Senate.

I'll be a Senator who listens first- then leads with humility to represent every rural and valley resident with honor. I will always answer to you, not big money interests, and not the big city politicians.

I would be honored to have your vote.

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, DISTRICT 4**

TIM ROBERTSON

AGE: 41

Occupation: Executive Director, North Valley Labor Federation

Education and Qualifications: I'm not a politician. As head of the North Valley Labor Federation, I fight for workers of all political stripes. Rather than pick fights over the things that divide us, I work with my members, local legislators, and community leaders to find common ground, focus on real solutions, and enact common-sense policies to create an economy that provides opportunity for everyone.

I pledge to be a different kind of state senator. I'm meeting with residents from across the district to learn first-hand the issues, large and small, that I need to tackle in Sacramento. I'll work with anyone, regardless of party, to get to the root causes of our biggest problems – affordability and the cost of living, homelessness, drought, and public safety – and change the status quo.

As a member of three county-wide Workforce Development Boards and a Stanislaus County executive committee, I'm working to develop an economic growth plan, create jobs, expand technical and skilled education opportunities for local students, and build sustainable job growth with good wages and health care.

I'm an elected member of the Keyes Community Services District Board, where I've gained first-hand knowledge of the challenges to meeting the water needs of the Valley. I'll fight in Sacramento for our fair share of funding for water storage projects and clean water programs, and oppose transferring our water to Southern California.

My priorities include funding a plan to mitigate and suppress wildfires, funding crime prevention efforts to keep neighborhoods safe, and addressing the cost of living.

I'd appreciate your vote. Robertsonforsenate.com.
