THE REGION

Situated on the eastern slope of the Sierra Nevada Mountains in central California, Mono County covers 3,132 square miles and is home to 14,000 residents. Together, the County's 17 census-designated places and one incorporated town, Mammoth Lakes, create a unique blend of vast rural landscapes and charming communities, with an opportunity for mountain resort living. Destinations including Mono Lake, Bodie State Historic Park, Mammoth Mountain, the Humboldt-Toiyabe and Inyo National Forests, and Yosemite National Park bring nearly five million visitors to the County annually, as tourism and outdoor recreation drive the local economy.

The county seat of Bridgeport boasts an iconic, historic courthouse built in 1881. The Bridgeport Valley is known for great trout fishing in streams and lakes, local hot springs, and the nearby Bridgeport Winter Recreation Area for snowmobiling and backcountry skiing. Bridgeport is also known for its close proximity to Bodie State Historic Park, California's official ghost town. From 1877 to 1882, Bodie was known as the 'wildest town in the West' and today brings roughly 200,000 visitors each year.

The County's only incorporated town is Mammoth Lakes, where about half the county's population lives. Mammoth Lakes is home to 11,053-foot high Mammoth Mountain. This world-class ski area offers 3,500 skiable acres and a reliably long season, often lasting from November through the 4th of July. Mammoth Lakes offers all kinds of winter recreation, including Nordic skiing, snowshoeing, snowmobiling, snow cat tours, ice skating, tubing, and sledding. When the snow melts, residents and visitors enjoy hiking and backpacking trails leading to the John Muir and Ansel Adams Wilderness Areas, along with mountain biking, cycling, fishing, kayaking, paddle boarding, golfing, climbing, horseback riding, and endless sightseeing and photography opportunities. The town is a three-hour drive from Reno, and a five-hour drive to multiple major cities including Las Vegas, Los Angeles, and Sacramento. The nearby Mammoth Yosemite Airport offers year-round air service to Los Angeles, and seasonal service to San Francisco and Denver. The town is also home to Mammoth Hospital, a 17-bed Critical Access Hospital with full-time, board-certified staff and 12 outpatient clinics. Mammoth Lakes also has a satellite campus of Cerro Coso Community College.

In the Antelope Valley, Topaz, Coleville, and Walker offer quiet small town living with easy access to Nevada’s Carson Valley and Topaz Lake. Thirty minutes south of Bridgeport, the hauntingly beautiful 69.5 square-mile Mono Lake is one of the oldest lakes in the western hemisphere Mono Lake is a unique and peaceful haven for bird watchers and photographers. Along Mono Lake’s shore, the community of Lee Vining provides small-town hospitality, motels, restaurants, service stations, and a market for those passing through or looking to stay. Lee Vining serves as a seasonal gateway to world-famous Yosemite National Park, as the park’s eastern entrance at Tioga Pass is 12 miles west of town.

Continuing south in the Mono Basin, the June Lake Loop is a popular summer and fall destination for fishing, hiking and photography. In winter, June Mountain Ski Area draws many snow sports enthusiasts. The area’s quaint downtown also offers a number of lodges, shops, restaurants and a brewery. Crowley Lake and Swall Meadows sit in southern Mono County and serve as residential communities with room to grow and expansive views.
