To Whom it May Concern,

Please see attached Director Review application. I have also included a copy of the current Reclamation Plan for your review. Marzano & Sons has been supplying aggregate to Mono County since 1976. We are the only supplier in Mono county to offer aggregate and concrete. We feel the need for aggregate and concrete will continue and the demand will keep growing. We are asking that the timeline on the reclamation plane be extended. I believe that the current reclamation plan was for 20 years therefor we are asking for an additional 20 years.
