PROPERTY DESCRIPTION:

Assessor's Parcel # 016-143-050 General Plan Land Use Designation SFR

PROPOSED USE: Describe in detail the variance, using additional sheets if necessary.

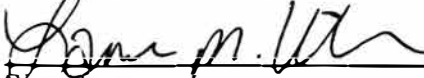

Proposed variance would reduce the required front setback from 20' to 10'.

The area suitable for building is restricted due to the steepness of the lot as the building is moved farther away from the street. The garage is setback 5' using the slope criteria for garages.

NOTE: Variance applicants must clearly demonstrate that special circumstances – other than financial hardship – related to the property deprive the property owner of privileges enjoyed by others in the vicinity and in an identical land use district. Special circumstances are typically related to the property's physical characteristics such as its size, shape, topography or surroundings. Variances shall not: 1) constitute special privileges inconsistent with other properties in the vicinity or in the same land use district; 2) injure the public's welfare or be detrimental to property owners in the vicinity; or 3) conflict with the county's General Plan or Specific Plans.

I CERTIFY UNDER PENALTY OF PERJURY THAT I am: legal owner(s) of the subject property (all individual owners must sign as their names appear on the deed to the land), corporate officer(s) empowered to sign for the corporation, or owner's legal agent having Power of Attorney for this action (a notarized "Power of Attorney" document must accompany the application form), AND THAT THE FOREGOING IS TRUE AND CORRECT.
