REVIEW REQUEST: A preapplication review by the Mono County Land Development Technical Advisory Committee (LDTAC) is requested for the following project. Briefly describe below the type of project, units, square footage, etc. Please attach expanded narrative if available.

We are preparing to put up a 6,200 sq. ft. Steel Building as our first structure. We will make approximately 2,400 sf into a residence, and the remainder will be an art studio/music studio.

We have questions about foundation, insulation and a few other topics we'd like to discuss.

PLEASE PROVIDE: Maps, drawings, illustrations and narrative that may be useful for staff review.
