REVIEW REQUEST: A preapplication review by the Mono County Land Development Technical Advisory Committee (LDTAC) is requested for the following project. Briefly describe below the type of project, units, square footage, etc. Please attach expanded narrative if available.

My proposed plan is to only change my existing license from seasonal to year round.
All operations will continue as is, as the only change would be being open seasonal to year round.

PLEASE PROVIDE: Maps, drawings, illustrations and narrative that may be useful for staff review.
