LTC Staff Report

December 12, 2022

TO: Mono County Local Transportation Commission

FROM: Wendy Sugimura, Co-Executive Director

SUBJECT: Assembly Bill 361 Virtual Meetings

RECOMMENDATION / DISCUSSION Adopt Resolution R22-12 to continue meeting under modified teleconferencing rules.

On March 4, 2020, Governor Newsom issued a Proclamation of State of Emergency in response to the COVID-19 pandemic. That Proclamation remains in effect. Subsequently, on March 17, 2020, Governor Newsom issued Executive Order N-29-20, which modified the teleconferencing rules set forth in the California Open Meeting law, Government Code section 54950 et seq. (the "Brown Act"), in order to allow legislative bodies to meet from remote locations without opening those locations to the public or complying with certain agenda requirements. Those modifications remained in effect through September 30, 2021.

In anticipation of the expiration of the applicable provisions of Executive Order N-29-20, the California legislature adopted, and Governor Newsom signed, AB 361. AB 361 amended the Brown Act to allow local legislative bodies to continue to meet under the modified teleconferencing rules until January 1, 2024, if the meeting occurs during a proclaimed state of emergency and the legislative body finds that it has reconsidered the circumstances of the state of emergency and either:

- measures to promote social distancing have been imposed or recommended by local health officials; or
- the state of emergency continues to directly impact the ability of the members to meet safely in person.

The Local Health Officer and the Director of Mono County Public Health have recommended that measures be implemented to promote social distancing, including the holding of virtual meetings. A copy of the memo memorializing that recommendation is attached.

In order to continue meeting virtually under those modified rules after January 12, the Commission will again need to reconsider the circumstances of the state of emergency and again make one of the additional findings required by AB 361.

To: Board of Supervisors

From: Bryan Wheeler, Director of Public Health

Re: Recommendation regarding Social Distancing and Virtual Meetings

Both Mono County “covering” Health Officer Dr. Rick Johnson and I strongly recommend that physical/social distancing measures continue to be practiced throughout our Mono County communities, including at meetings of the Board of Supervisors and other County-related legislative bodies subject to the Brown Act, to minimize the spread of COVID-19.

Whether vaccinated or not, positive individuals are contracting the Delta variant and infecting others in our communities. Social distancing and masking are crucial mitigation measures to prevent the disease’s spread. Virtual board meetings allow for the participation of the community, county staff, presenters, and board members in a safe environment, with no risk of contagion. It is recommended that legislative bodies in Mono County implement fully-remote meetings to the extent possible.

If you have any questions regarding this recommendation, please do not hesitate to contact me. We will continue to evaluate this recommendation on an ongoing basis and will communicate when there is no longer such a recommendation with respect to meetings for public bodies.
