Difference between formal/supervised Probation and conditional/informal Probation?

Formal/supervised: Will be under supervision of the Mono County Probation Department, and having to uphold the terms and conditions ordered by the Judge.

Conditional/informal: Probation is still a grant of Probation sentenced by the Court; but will be handled by the Court and the Judge.

What happens if I can't pay the multiple fines and fees on time?

You will need to make contact with the Court either in person or by letter explaining their difficulties in paying. The case will not close until one's fines and fees are paid.

Restitution

Restitution is ordered in cases where a victim has suffered a financial loss and the Probationer is expected to reimburse that loss.

Fees for Mono County

The Mono County Probation Department charges \$30.00 monthly for Probation supervision.

If placed on formal/supervised Probation in Mono County, can I live elsewhere?

Yes. If you are a resident of California, you will need to advise the Mono County Probation Department of where you live. Per 1203.9 of the California Penal Code, a transfer will take place and the jurisdiction of your case will be transferred to the county you reside in. If you would like to live out of the State of California, an Interstate Compact Transfer will have to take place. This is a privileged transfer and the Mono County Probation Department can deny it. Additionally, the state in which you would like to transfer to can deny the transfer as well. Please note you must reside in the State of California while on supervised Probation. Both transfers cost \$75.00.

DUI SURVIVAL GUIDE

Refer to SR-22 Specialists brochure in Post Release Packet from Serenity Insurance

What California Law Says: If the BAC test was .08 or more, most Vehicle Codes provide for a suspension up to four months. If you have any prior convictions within 10 years, the suspension can be up to 1 year.

Getting License Back: See Page 54 for more details.

What State Requires: California's minimum insurance limits are...
 15 - \$15,000 Bodily Injury Liability per person
 30 - \$30,000 Bodily Injury Liability per accident (more than one person injured)
 5 - \$5,000 Property Damage Liability per accident

How Long Will I Be Punished: Court-ordered probation for DUI offenders usually lasts three to five years. Offenders must keep insurance and an SR-22 on file for three years.

Form SSA-16

Will you be out of work for 12 Months?
You must be out of work or expect to be out of work for one full year. If you are working and your gross earnings average more than \$1,040 each month, you will not be eligible for benefits.

Does your disability significantly limit your ability to work?
Your medical condition must be severe enough to limit your ability to do basic work activities.

If your disabling medical condition or combination of medical conditions is not on this list, the Social Security Administration looks to see if your disabling condition is as severe as a medical condition that is on the list. If the severity of your medical condition meets or is as severe as another impairment on the list, the Social Security Administration may then approve you for benefits.

Are you able to do any other type of work?

Your medical condition, your age, education, past work experience and any skills you may have that could be used to do other work will be evaluated. If you have been treating with a doctor and you are not capable of doing other work, you could be considered disabled and eligible for benefits. If you can do other work, you will not be eligible for benefits.

Note: You must also be younger than 65 years old to qualify for Social Security Disability Insurance. You may qualify for Supplemental Security Income if you are age 65 or older.

resume

TIPS TO CONSIDER

- 1. Make sure your resume is future oriented and employer - centered. Use your resume to clearly communicate to employers what it is that you can do for them. Issues concerning your criminal record are best dealt with during the job interview (regarding resume).
- 2. Avoid the chronological format: This format, with its ordering of employers and dates, tends to point up the two major weaknesses of ex-offenders — limited work experience and major employment time gaps. Instead, choose a functional resume (see example to the right...)
- 3. Present your prison experience in nonprison terms: If you acquired education, training, and work experience in prison, be careful how you list that experience on your resume. Instead of saying that you worked at "Kentucky State Prison," say you worked for the "State of Kentucky." Both statements are truthful, but the first statement...

... organized skill instead of work experience) format or hybrid resume (combination) format that emphasizes your qualifications as they relate to the job you seek — skills, education, personal qualities and contributions.

immediately raises a red flag that can prematurely screen you out before you get an interview.

- 4. Try using percentages and statistics to showcase accomplishments and skills.

cover letter

TIPS TO CONSIDER

1. Do your homework. In the cover letter refer to the job, specific position and company to show your interest.
2. Explain how your skills relate to the job you're apply for.
3. If you're writing an email cover letter, don't leave your subject line blank. Make it clear and specific to the position that you are apply for.
Example: "Bilingual CPA seeks account manager position."
4. Your letter should honestly state your record and time served. Let your interviewer know you are taking responsibility for your actions.

4. You can also include in the letter after you mention your conviction, what kind of programs you are eligible for that will help your employer. If you want to write something like, " I can understand why you may be hesitant to hire someone with my background.
However, I am eligible for The Federal Bonding Program (www.bonds4jobs.com) and Work Opportunity Tax Credits (www.irs.gov/businesses/small-businesses-self-employed/work-opportunity-tax-credit) to save some money this year.

I will be happy to provide you more information about those programs when we meet."

Note- Remove mention of Tax Credit opportunity if it has been more than a year from your release date.

List Position For Which You're Applying
Name of Organization
Street Address
City, State Zip Code

To Whom It May Concern:

First Paragraph: State the reason for writing. Name the specific position or type of work for which you're applying. Mention how you learned of the opening.

Second Paragraph: Explain why you're interested in working for this employer and specify how you would be perfect for this position. Include something special or unique about yourself that will benefit the employer. Remember, the reader will consider this as an example of your writing skills. Include experience you gained while incarcerated, but do not mention where you recieved it until the next paragraph.

Third Paragraph: Introduce your felony/or charges (if applies to your situation) in a starting statement such as " In spite of my skills, experience and accomplishments, I experienced a lapse of judgment that led to a felony conviction for (list crime here)." This will help serve as an appropriate transition speaking with your interviewer about the person you are now versus who you were then. You don't have to include details of the conviction, just in one to three sentences. Do not profess your innocense or bash the legal system. Describe your steps you have taken or if in the process of taking to become an upstanding member of society. Be sure to communicate your plan to follow up. You might state that you'll be in the area on a certain date and would like to set up a meeting, or you'll call on a certain date to set up a meeting. Finally, thank the employer for his/her time.

*Information provided by: The Roadmap from Root And Rebound

It is very important to know that the AB 60 driver license is not an official form of ID because it does not qualify you for employment, voter registration, or public benefits in the United States.

However, an AB 60 driver license will allow you to drive a car legally in California—and California only.

IDENTIFICATION

I am a noncitizen. What types of ID can I get?

The DMV will accept any of the following U.S. Citizenship and Immigration Services documents as proof.

If you are an undocumented immigrant, but otherwise meet the requirements to drive legally in California, you may be able to get an AB 60 "Undocumented Person" driver license.

California State ID

- government-issued id (can be proof of age, identity and legal presence)
- some can obtain while incarcerated through cal-id program
- requires only birth certificate and ssn to obtain
- does NOT authorize you to drive a car
- There are no restrictions in getting a CA state ID based on your criminal history.

California Driver License

- government-issued id (can be proof of age, identity and legal presence) ** 1
- can't apply while incarcerated
- requires birth certificate, social security number and to pass written road test
- authorizes you to drive a car
- there could be some restrictions in getting a CA drivers license, depending on criminal history.

**As of January 1, 2015 if you cannot provide proof of legal presence in the U.S., but otherwise can qualify for a CA driver license you can apply for a "non-ID", allowing you to legally drive a vehicle in CA.

OTHER FORMS OF ID:

- Consular Identification Cards (CIDs)
- Municipal IDs
- AB 60
Federal agents in California and all law enforcement outside of California are not required to honor your AB60 license.

This is not an official form of ID. It doesn't qualify you for employment, voter registration or public benefits of the US (CalFresh, etc). I will allow you drive a car legally in California (only).

STEPS TO OBTAIN RESTRICTED LICENSE

1. Determine Eligibility
2. Wait for 30 days or until your "hard suspension" period is over. You may also have to install an Ignition Interlock Device in your vehicle, refer to your probation terms whether or not this is court ordered for you. If so, it might be a good idea to keep any receipts of payment as proof of installment for the device.
3. Enroll in DUI school / traffic school (see requirements - refer to page 6)
4. Enroll in any other court ordered programs that may apply to you (such as AA, NA, etc)
5. Apply for the right car insurance
You must show proof of financial responsibility. This is where you need to obtain an SR-22 form to fill out and turn in to local DMV.
6. Pay all reinstatement, reissue, and any restrictions fees required by the department.
7. Apply for your temporary restricted driver's license. Once completed steps above, go to your local DMV. Bring proof of enrollment, SR-22, and any court-ordered documents about your sentence. Be prepared to pay \$125 fee (\$100 if under 21 when incident occurred)

*What is a Restricted License?
This type of license will typically allow you to travel to and from your employment, and any court ordered programs.*

Note: You are allowed to drive during work if you are required to drive as part of your employment, although commercial licenses are not required. If you have any questions, it's always better to ask your Probation Officer. See Page 10 for contact information.

FREQUENTLY ASKED QUESTIONS

Will my DUI violation automatically be removed from my driving record after 10 years?

Yes, a DUI offense that occurred more than 10 years ago will not appear on your out-of-house /public driving record.

How long will the DUI charge appear on my driving record?

10 years from the violation date. According to new legislation extending the reporting period from DUI offenses from 7 to 10 years.

What if my insurance company cancels my coverage?

Call your insurance provider. Ask if they would offer you a policy without a good driver discount.
Call 310.589.3714

- on probation for a prior DUI conviction of CVC (California Vehicle Code) 23152 or 23153
- APS (administrative license suspension program known as "Admin Per Se") suspension

DMV will impose a concurrent (sentence served at the same time) 1-year suspension based on violation and won't be eligible for a restricted driver license during the 1 year period.

If refused or failed to complete PAS or other chemical test, and you were court-ordered per probation for a DUI conviction of CVC 23152 or 23153, the following will apply:

- First Offense: a 1-year suspension, (2- year revocation if on DUI probation)
- Second Offense: within 10 years of a separate violation (driving under the influence), you will result in a 2 year revocation; a 3-year revocation if you are on DUI probation
- Three or More Offenses: within 10 years of any combinations of the above violations will result in a 3-year revocation.

You must notify DMV before you cancel your insurance.

To prevent a vehicle registration suspension, notify your local DMV before you cancel your insurance. If you aren't operating your currently registered vehicle and it isn't parked on a California roadway, you may submit an Affidavit of Non-Use (ANU REG 5090 form)

DMV online or call 1.800.777.0133. You cannot file the ANU once the registration expires.
